Lectures on Great Men Frederic Myers, 1861 Leadership During a Crisis Christian Harrison, 2024-02-20 We live in uncertain times propelled by complex systems climate change and the use of technology which possess various threats At times of crisis leadership that permits quick reactions to the changing organisational environment becomes necessary However there has been limited studies that provide a road map of leading during a crisis What is required of leaders during a crisis How can you develop the required leadership expertise during such turbulent periods What are the challenges leaders will have to combat Through this book these questions are answered It is no exaggeration therefore to claim that this book opens a new chapter as it seeks to advance discussions about how to lead during crisis Drawing on empirical and conceptual evidence from the perspective of renowned authors in leadership research it offers a robust and engaging overview of the field of leadership and leadership development in turbulent and dynamic environments The chapters in the book support the personal and professional development of aspiring and experienced leaders and managers The readers will be able to display critical awareness of current developments in both the theory and practice of leadership and leadership development and its importance in modern organisations USAF Instructors Journal, 1963 Fire Service Leadership Mitchell R. Waite, 2008 As the fire service evolves and becomes an increasingly diverse and dynamic industry the need for competent leadership also grows Fire Service Leadership Theories and Practices incorporates a wide array of classic and contemporary leadership theories used throughout all occupational environments and translates these management principles so that they can be readily implemented by both fire chiefs and officers Whether you are a current or aspiring fire service leader you can turn to Fire Service Leadership Theories and Practices for the managerial knowledge you need to competently lead your department The Hundred Greatest Men Wallace Wood, 1885 *Proceedings, American Philosophical Society* (vol. 94, no. 4) , **On Leadership** Denver J. Fowler, Meghan B. Raehl, 2022-12-01 In *On Leadership* An Interdisciplinary Approach editors Fowler and Raehl provide one of the most comprehensive books on interdisciplinary leadership approaches to date Contributing authors from across the nation and around the globe include individuals from an

array of sectors including Education PK 12 and Higher Education Business Public and Nonprofit Organizations Government Military Law Enforcement and the Healthcare Industry With a focus on highlighting the best practices as it applies to effective leadership in any given organization the book offers a much needed analysis of what it means to lead successfully in the 21st Century and beyond Endorsements If you are looking for a cutting edge resource regarding interdisciplinary leadership I highly recommend On Leadership Each chapter has a rich perspective which contributes to the interplay between one's context value system level of authenticity perspectives and unique experiences I highly recommend On Leadership and look forward to using this in the leadership courses I teach David De Jong Dakota State University As both a scholar in school leadership and a former school leader I thought I knew just about everything about leadership but after reading this book I was delightfully enlightened about the practical application of leadership in varying contexts around the world Organized in three sections this book clearly presents the practical application of leadership through an interdisciplinary approach Fowler and Raehl provide a rich text with contributions of authors in both PK 12 Schools and Higher Education and this text would be a welcome addition to any educational leadership program Sonya D Hayes The University of Tennessee Knoxville Effective leadership development and corresponding leadership skills are not unique to any one profession or leadership position Effective leadership transcends all professions and effective leadership is evident in all effective leaders and leadership positions Therefore On Leadership An Interdisciplinary Approach is a timely must read for current and aspiring leaders Siloed leadership development must be a thing of the past Michael Schwanenberger Northern Arizona University Undoubtedly forward thinking content that will serve as key fundamentals in the future training of leaders in and out of the educational landscape Centered on ethics and authenticity this text truly represents a wholesome approach to modeling effective leadership practices in the 21st century Alexandra Horton Former PreK 12 Educator
