A Thousand Acres A Novel

Jane Smiley

A Thousand Acres A Novel:

A Thousand Acres Jane Smiley, 1992 The Pulitzer Prize winning bestselling novel from one of America's greatest contemporary writers Larry Cook's farm is the largest in Zebulon County Iowa and a tribute to his hard work and single mindedness Proud and possessive his sudden decision to retire and hand over the farm to his three daughters is disarmingly uncharacteristic Ginny and Rose the two eldest are startled yet eager to accept but Caroline the youngest daughter has misgivings Immediately her father cuts her out In *A Thousand Acres* Jane Smiley transposes the *King Lear* story to the modern day and in so doing at once illuminates Shakespeare's original and subtly transforms it This astonishing novel won both of America's highest literary awards the Pulitzer Prize for Fiction and the National Book Critics Circle Award

A Thousand Acres Jane Smiley, 1992 A successful Iowa farmer decides to divide his farm between his three daughters When the youngest objects she is cut out of his will This sets off a chain of events that brings dark truths to light and explodes long suppressed emotions An ambitious reimagining of Shakespeare's *King Lear* cast upon a typical American community in the late twentieth century *A Thousand Acres* takes on themes of truth justice love and pride and reveals the beautiful yet treacherous topography of humanity

A Thousand Acres Jane Smiley, 1991-01 **A Thousand Acres** Jane Smiley, 1992 Hidden family secrets erupt when a father decides to leave his prosperous farm to two of his three daughters

Jane Smiley's A Thousand Acres Susan Elizabeth Farrell, 2001-09-01 Continuum Contemporaries will be a wonderful source of ideas and inspiration for members of book clubs and readings groups as well as for literature students The aim of the series is to give readers accessible and informative introductions to 30 of the most popular most acclaimed and most influential novels of recent years A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question The books in the series will all follow the same structure a biography of the novelist including other works influences and in some cases an interview a full length study of the novel drawing out the most important themes and ideas a summary of how the novel was received upon publication a summary of how the novel has performed since publication including film or TV adaptations literary prizes etc a wide range of suggestions for further reading including websites and discussion forums and a list of questions for reading groups to discuss

Novel History Mark C. Carnes, 2004-03-05 Historical fiction is a contradiction in terms History is what happened fiction what did not Yet great novelists have often disregarded this logical difficulty taking up the tools of the historian to explore the shadowy recesses of the past Their labors have brought forth many literary treasures But how accurately do these masterpieces of the imagination reflect the past In *Novel History* twenty accomplished historians consider this question in relation to some of our most important historical novels Their essays are followed in most instances by a response from the novelist These dialogues illuminate one of the most fascinating and perplexing issues of our time the relation between the real past and our finest imaginative renderings of it *Novel History* includes essays by distinguished historians such as John

Demos Michael Kammen Joan D Hedrick John Lukacs Eugene D Genovese Richard White and Tom Wicker and responses from notable novelists including Gore Vidal John Updike Russell Banks Don DeLillo Larry McMurtry Jane Smiley Madison Smartt Bell William Styron T Coraghessan Boyle William Kennedy Charles Frazier Thomas Fleming and Tim O'Brien Novel History is both a uniquely compelling perspective and a superb collection of literary history **Novel Shakespeares** Julie Sanders, 2001 Much recent contemporary fiction by women has appropriated and adapted themes and plot structures found in Shakespearean drama This is an innovative study of these texts It considers novels by authors set in locations covering the globe **Literature and Law**, 2016-08-09 In recent years there has been a continuing and persistent world wide interest in the interaction between the two disciplines of law and literature Although there have been many collections of primary texts that combined these two areas this volume presents literary analyses and criticism in an attempt to assess the varied relationships between law and justice between lawyers and clients and between readers perceptions and authors intent hopefully suggesting why they have continually been yoked together One similarity between the two is that lawyers like writers must catch their audience's attention by novelty of scene distinctiveness of voice and ingenuity of design Furthermore legal advocates must recreate a concrete sense of reality developing vivid and valid pictures of a specific time and place In short both lawyers and writers attempt to provide a basis for juries readers to judge defendants characters by their motivations and their actions and to decide whether a favorable ruling assessment is justified Collectively the essays in this book are designed to deal with themes of guilt and innocence right and wrong morality and legality The essays also suggest that the world as it is delineated by lawyers is indeed a text that like its literary counterparts sometimes blurs the distinction between fact and fiction as it attempts to define truth and to establish criteria for impartial justice By exploring interdisciplinary contexts readers will surely be made more aware more sensitive to the roles that stories play in the legal profession and to the dilemmas faced by legal systems that often succeed in maintaining the rights and privileges of a dominant societal group at the expense of a less powerful one **Thousand Acres** Jane Smiley, 1992-01-01 On a prospering Iowa farm in the 1970s wealthy farmer Lawrence Cook announces his intentions to divide the farm among his daughters setting off a family crisis reminiscent of Shakespeare's King Lear **Talking Back to Shakespeare** Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume It is also about the way different interpretive communities including students read their cultural political and moral assumptions into Shakespeare's plays appropriating and transforming elements of plot character and verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare's characters women characters in

particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare s most frequently taught and performed plays Such re visions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny Much of the talking back comes from marginalized readers women like Lillie Wyman author of *Gertrude of Denmark An Interpretive Romance* and other nineteenth century women critics or Jewish writers like Arnold Wesker whose play *The Merchant* transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel *A Thousand Acres* by Jane Smiley to obscure seldom read ones like Percy MacKaye s ambitious four play prequel *The Mystery of Hamlet King of Denmark* What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare s plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies
