A Three Faced Coin:

Three Faces of Desire Timothy Schroeder, 2004-08-12 Desires lead to actions influence feelings and determine what counts as a reward Recent empirical evidence shows that these three aspects of desire stem from a common biological origin The author reveals this common foundation and builds a striking new philosophical theory of desire that puts desire's neglected face reward at its core *Three Faces of Hermeneutics* Roy J. Howard, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

A Guide to the Coins of Great Britain & Ireland William Stewart Thorburn, 1895 **The Iconography and Ritual of Siva at Elephanta** Charles D. Collins, 1988-11-10 The beautiful rock cut Siva temple on Elephanta Island in Bombay Harbor is one of the finest monuments of Indian religion and art Until now interpretation of its magnificent sculptured scenes has been neglected In this book Collins systematically surveys the pertinent Vedic Epic and early Puranic literature as well as the contributions of India's foremost poet and dramatist Kalidasa to reveal sources for and interpretations of the subjects of the relief sculptures This survey shows strong associations with areas formerly controlled by the classical Gupta dynasty in northern India This book provides the first detailing of this link intimated by others before which helps to explain the grandeur of style found in the colossal reliefs By applying certain aspects of ritual texts of the Lakulisa Pasupata the sect that probably used Elephanta originally exceptional clarity is revealed for the worship of the sculptures in a counterclockwise sequence quite unusual in India but appropriate to this particular sect Lakulisa Pasupata texts are invoked in Collins theory of how the cave temple at Elephanta was used This area of investigation has been virtually untouched by other scholars for any early Hindu shrine in India **Montgomery Ward Catalogue of 1895** Montgomery Ward & Co., Montgomery Ward, 1969-08-01 Tea gowns bleached damask and yards of flannel and pillow case lace stereoscopes books of gospel hymns and ballroom gems the New Improved Singer Sewing Machine side saddles anti freezing well pumps Windsor Stoves milk skimmers straight edged razors high button shoes woven cane carpet beaters spittoons the Studebaker Road Cart commodes and washstands the Fire Fly single wheel hoe cultivator and plow combined flat irons and ice cream freezers What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the

common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work Catalogues and Counters has long been recognized as a landmark in the study of American economic history
