## **A Vietcong Memoir:**

Vietcong Memoir: An Inside Account of the Vietnam War and Its Aftermath Truong Nhu Tang, Doan Van Toai, David Chanoff, 1986-03 The autobiography of Truong Nhu Tang who fought in the Vietnamese jungle and emerged as one of the major N Vietnamese figures in the fight for liberation      A Vietcong Memoir Nhu Tang Truong, 1985      A Vietcong Memoir Truong Nhu Tang, 1986-03-12 An absorbing and moving autobiography An important addition not only to the literature of Vietnam but to the larger human story of hope violence and disillusion in the political life of our era Chicago Tribune When he was a student in Paris Truong Nhu Tang met Ho Chi Minh Later he fought in the Vietnamese jungle and emerged as one of the major figures in the fight for liberation and one of the most determined adversaries of the United States He became the Vietcong s Minister of Justice but at the end of the war he fled the country in disillusionment and despair He now lives in exile in Paris the highest level official to have defected from Vietnam to the West This is his candid revealing and unforgettable autobiography      **A Vietcong Memoir** Nhu Tang Truong, David Chanoff, Van Toai Doan, 1985 Former Vietcong official tells what Vietnam thought it was fighting for what the reunified Vietnam was like and why he left      **Air University Review** , 1986-05      The Indochinese Experience of the French and the Americans Arthur J. Dommen, 2002-02-20 Dommen s book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930 39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen s telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won      **The Korean War and The Vietnam War** Britannica Educational Publishing, 2009-10-01 In the 1950s and 1960s and on into the 1970s the United States was involved in two wars fought far from home one in aid of South Korea against the neighboring Communist North Korea and a second waged

through the jungles of Vietnam Cambodia and Laos Both of these military engagements were a reaction to what the United States feared as being Communist takeovers and were surrounded by a strong degree of political controversy This book explores both wars in detail to help readers understand why the conflicts occurred and what their lasting effects have been

**Radical Visions** Vicente F. Gotera, 1994 Although poets have written about warfare since at least the time of Homer the Vietnam war has struck many observers as being immune to the interpretations of poetry and myth Lyric poetry of a traditional kind writes one critic has proved inappropriate to communicate the character of the Vietnam war its remoteness its jargonized recapitulations its seeming imperviousness to aesthetics Nonetheless the past two decades have seen an unprecedented outpouring of poetry that seeks to describe and come to terms with that bitterly divisive conflict In *Radical Visions* Vince Gotera argues that poetry written by Vietnam veterans underlines the failure of traditional American myths to help Americans understand the war and its aftermath The book blends sociohistorical commentary with close readings of individual works by such poets as Michael Casey Walter McDonald and W D Ehrhart In the book's first section *The Nam* Gotera examines several key mythic structures the Wild West a violent extension of the mythic virgin land the machine in the garden the city on the hill regeneration through violence all of which helped delude Americans about Vietnam and the war being fought there In the second part *The World* Gotera shows how another myth the American Adam as an exemplar of ahistorical innocence proved unusable for returning veterans attempting to readjust to American life In addition to exposing these failed myths Gotera argues the poetry by Vietnam veterans reflects an effort to construct new myths most notably that of the warrior against war an oxymoronic structure arising from the difficulties faced by returning veterans In the book's final chapters Gotera examines the work of Bruce Weigl and Yusef Komunyakaa two poets whom the author considers most successful at portraying the moral absurdity of the Vietnam war without sacrificing lyrical aesthetics The first comprehensive study devoted exclusively to poetry by Vietnam veterans *Radical Visions* argues that this body of writing registers an important advance in the aesthetics and poetics of war literature and offers a cogent antiwar statement rooted in personal experience

**Colonial and Postcolonial East and Southeast Asia** Julia Chandler, 2016-12-15 While the British became the dominant colonial power in South Asia the Dutch Portuguese and French also initially vied for control of the region This volume traces the rise of European influence in South Asia with an in depth discussion of the path to colonialism and various facets of colonial rule It contains a history of resistance to colonial rule discusses how the people of South Asia won their independence and how explains how the region evolved after independence including the partition of India and Bangladesh's separation from Pakistan Readers will come away with an understanding of how colonialism shaped South Asia today

*Torture and Democracy* Darius M. Rejali, 2007 This is the most comprehensive and most comprehensively chilling study of modern torture yet written Darius Rejali one of the world's leading experts on torture takes the reader from the late nineteenth century to the aftermath of Abu Ghraib from slavery and the electric chair to electrocution in American inner

cities and from French and British colonial prison cells and the Spanish American War to the fields of Vietnam the wars of the Middle East and the new democracies of Latin America and Europe As Rejali traces the development and application of one torture technique after another in these settings he reaches startling conclusions As the twentieth century progressed he argues democracies not only tortured but set the international pace for torture Dictatorships may have tortured more and more indiscriminately but the United States Britain and France pioneered and exported techniques that have become the lingua franca of modern torture methods that leave no marks Under the watchful eyes of reporters and human rights activists low level authorities in the world s oldest democracies were the first to learn that to scar a victim was to advertise iniquity and invite scandal Long before the CIA even existed police and soldiers turned instead to clean techniques such as torture by electricity ice water noise drugs and stress positions As democracy and human rights spread after World War II so too did these methods Rejali makes this troubling case in fluid arresting prose and on the basis of unprecedented research conducted in multiple languages and on several continents begun years before most of us had ever heard of Osama bin Laden or Abu Ghraib The author of a major study of Iranian torture Rejali also tackles the controversial question of whether torture really works answering the new apologists for torture point by point A brave and disturbing book this is the benchmark against which all future studies of modern torture will be measured

While this might not be the A Vietcong Memoir full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of A Vietcong Memoir eBooks, including some popular titles.

### **FAQs About A Vietcong Memoir Books**

**What is a A Vietcong Memoir PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a A Vietcong Memoir PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a A Vietcong Memoir PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a A Vietcong Memoir PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a A Vietcong Memoir PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
