A Woman To Remember:

Remember Him Series - Well Driven Nail - Volume One , Remember Roxanne Munsen, 2013-10 We love that we don't have to live an average life Living as God's children is every bit an adventure One highlight was when my husband became a self-employed daddy A long period ensued without income a mortgage bills and God But God was enough The miracles began including divine money deposits and we never paid a bill late In fact God has continued to bless our lives as we put Him first He taught us about commandments tithing and attitudes He usurped the doctor's plan to remove gills from our baby guided us away from professional boxing showed us what marriage and parenting are really about demonstrated the power in Jesus blood and much more It's a great blessing to have these wonderful memories I have no doubt He craves an intimate relationship with you too Remember God loves you right now and wants to do great things through you I would highly recommend this book to anyone that feels there is no hope in their lives or just to help them find their own paths Sue Mullan Idaho excerpt from the foreword Thank you so much for sharing your lives with us It has encouraged us to keep faith during our trial Bill and Cheryl Mayo Clinic Arizona Remember is an amazing story that increases your faith in God's love His provisions and His blessings for your life Sharon St Maries Idaho *Remember the Alamo* Amelia Edith Huddleston Barr, 1888 *Am I Still a Woman?* Jean Elson, 2004 Recent scientific findings regarding the potential dangers associated with hormone replacement therapies bring renewed attention to the relationship between women's bodies and gender identity In *Am I Still A Woman* Jean Elson offers the testimony of women who have thought deeply about this issue as a result of gynecological surgery For the women in this book gynecological surgery for benign conditions proved to be a crisis that prompted questions about the meanings of sexual and reproductive organs in relation to being female and feminine Is a woman who no longer menstruates still a woman What about a woman who can no longer bear children Elson looks closely at the differences in responses to understand the impact of surgery and lost fertility on sexuality and partnerships as well as the steps some women take to deal with a sense of a stigmatized identity Whether they reconceptualized their old notions of what it means to be a woman or put a new focus on making themselves attractive they made conscious efforts to reclaim their female identity and femininity This book provides a wealth of insight into the choices women make regarding gynecological surgery and maintaining their sense of themselves as women Author note Jean Elson teaches sociology at the University of New Hampshire A Woman's Write *Womankind* Creative Writing Authors, 2012-03 This collection of poetry and prose from women in recovery is a fire walk a searing barefooted dash over the hot coals of desperation despair and self destruction Startling often hypnotic photographs supplied by one of the writers drift through the text like sparks from the embers These women have been burned into blessedness Duane Tucker Actor Writer for Screen and TV Passenger Magazine Poet of the Year 2002 As a recovering alcoholic *A Woman's Write* Strong and Free reminded me of my own struggles and haunting past I could relate to every poem and was enthralled with the quality honesty and raw emotion the authors brought
