

AASHTO AUDIT COMMITTEE ANNUAL MEETING PLANNING GUIDE

OVERVIEW

The following information is intended to provide guidance to states that are considering or have been selected to host the AASHTO Administrative Committee on Internal and External Audit's Annual Meeting. The conference is managed jointly by AASHTO and the host State. This guide defines the roles and responsibilities of both parties. Planning should begin immediately upon being selected to be a Host State. It is desirable to begin this process as soon as possible in order for AASHTO to contract with an agreed upon venue. It is suggested 12-18 full months to acquire a venue, plan topics, select speakers, market to and register participants, and then conduct the actual conference.

HOST STATE SELECTION

Hosting Opportunity – Annual Solicitation for Future Host Sites

The AASHTO Audit Committee will discuss potential future host state locations at each annual meeting. States that are willing to consider hosting are greeted with great enthusiasm and encouraged to come to the annual conference ready to offer their state as a future conference site.

Ideally, conference Host States are selected two to three years in advance. This gives the upcoming Host State plenty of time to work with AASHTO to select and acquire an appropriate venue with the best lodging and catering rates available. Although AASHTO enters into the formal contract with the venue, it is essential the Host State provides assistance with suggesting various options for the conference since they are more familiar with the various cities and sites and can often conduct on-site visits of various options.

The dates for the annual meeting have historically been in July or August, but that is not required. Consideration should be given to a time frame that meets the needs of the majority of the members balanced against the schedule of other AASHTO conferences and events.

At the annual meeting, the next year's Host State gives a short presentation to invite everyone to the conference for the next year. The content of the presentation is determined by the upcoming Host State. Future Host States are encouraged to send their event planner(s) to the immediate past conferences to observe conference operations, talk with the current host state planners, and become familiar with AASHTO staff and requirements.

AASHTO Meetings & Member Services staff are responsible for entering into contracts for lodging, catering, and events. They can also provide event advice to states who are considering hosting the annual conference. Current and past host states are a wealth of information about the current business environment and conference planning work.
