Mood Machine Liz Pelly, 2025-11-04 NATIONAL BESTSELLER An unsparing investigation into Spotify s origins and influence on music weaving unprecedented reporting with incisive cultural criticism illuminating how streaming is reshaping music for listeners and artists alike Drawing on over one hundred interviews with industry insiders former Spotify employees and musicians Mood Machine takes us to the inner workings of today s highly consolidated record business showing what has changed as music has become increasingly playlisted personalized and autoplayed Building on her years of wide ranging reporting on streaming music journalist Liz Pelly details the consequences of the Spotify model by examining both sides of what the company calls its two sided marketplace the listeners who pay with their dollars and data and the musicians who provide the material powering it all The music business is notoriously opaque but here Pelly lifts the veil on major stories like streaming services filling popular playlists with low cost stock music and the rise of new payola like practices For all of the inequities exacerbated by streaming Pelly also finds hope in chronicling the artist led fight for better models pointing toward what must be done collectively to revalue music and create sustainable systems A timely exploration of a company that has become synonymous with music Mood Machine will change the way you think about and listen to music **Billboard** ,2010-10-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Focus On: 100 Most Popular**

American Tenors Wikipedia contributors, **Digital Entertainment Superguide** , Audio and video content is all around us And these days much of it comes not from TV cables satellite dishes and radio antennas but from our digital devices around the house streaming over the Internet and local networks And that s why we created the Digital Entertainment Superguide a primer with everything you need to know to get started This book walks you through how to set up your home network and choose the right hardware set top boxes smart TVs media center computers streaming speakers remote controls and more for your needs Like to watch TV shows and movies but not sure where to find what We ve got you covered with a guide to streaming video sources for your TV or mobile devices We don t leave music lovers out either as we help you choose the best streaming audio service Do you want Mog Rdio Rhapsody Slacker or Spotify How much does each service cost Which sounds best We answer all those questions and more in the pages that follow Finally if you re wondering how to move audio and video around the house stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send video from a computer to your beautiful wall mounted HDTV you ve come to the right place We ll even show you how to use your smartphone or tablet to control it all So read on and let the fun begin *Unexpected Chart Hits* Rebecca

Murphy, AI, 2025-03-29 *Unexpected Chart Hits* explores how certain songs seemingly destined for obscurity unexpectedly rise to the top of the pop music charts It argues that this phenomenon isn t random but a complex interplay of factors including viral social media trends and the transformative power of remixes For instance a seemingly forgotten track can experience a resurgence by appealing to new audiences through strategic reinterpretations The book analyzes chart data streaming statistics and social media trends to understand these unexpected ascensions It also uses case studies and interviews with artists and industry experts The book stands out by shifting focus from traditionally promoted hits to those that defy conventional industry wisdom The book methodically unpacks its argument starting with a clear definition of unexpected chart hits Subsequent sections explore the impact of social media the role of remixes and how cultural shifts can unexpectedly elevate certain songs This makes the book particularly valuable for music industry professionals marketing specialists and anyone interested in how music trends emerge Billboard , 2009-10-03 In its 114th year Billboard remains

Digital Renaissance Joel Waldfogel, 2018-11-13 How digital technology is upending the traditional creative industries and why that might be a good thing The digital revolution poses a mortal threat to the major creative industries music publishing television and the movies The ease with which digital files can be copied and distributed has unleashed a wave of piracy with disastrous effects on revenue Cheap easy self publishing is eroding the position of these gatekeepers and guardians of culture Does this revolution herald the collapse of culture as some commentators claim Far from it In Digital Renaissance Joel Waldfogel argues that digital technology is enabling a new golden age of popular culture a veritable digital renaissance By reducing the costs of production distribution and promotion digital technology is democratizing access to the cultural marketplace More books songs television shows and movies are being produced than ever before Nor does this mean a tidal wave of derivative poorly produced kitsch analyzing decades of production and sales data as well as bestseller and best of lists Waldfogel finds that the new digital model is just as successful at producing high quality successful work as the old industry model and in many cases more so The vaunted gatekeeper role of the creative industries proves to have been largely mythical The high costs of production have stifled creativity in industries that require

ever bigger blockbusters to cover the losses on ever more expensive failures Are we drowning in a tide of cultural silt or living in a golden age for culture The answers in Digital Renaissance may surprise you **Focus On: 100 Most Popular American Dance Musicians** Wikipedia contributors, Developments and Directions in Intellectual Property Law Hayleigh Bosher, Eleonora Rosati, 2023-05-24 Developments and Directions in Intellectual Property Law celebrates the 20th anniversary of award winning intellectual property IP blog The IPKat originally founded in 2003 Over the past two decades The IPKat has covered and commented on several of the most topical developments in the IP field from substantive practical and policy standpoints Today The IPKat is considered the Most Popular Intellectual Property Law Blog of all time source Justia and its readers are academics members of the judiciary policy and law makers practitioners and students from all over the world By bringing together several of the current and past contributors to The IPKat this book reflects on the developments and directions that have emerged in the IP field over the past twenty years Topics covered include changes within substantive IP rights as well as IP law policy and practice broadly intended and from a global perspective From copyright to trade marks patents to designs image and publicity rights to geographical indications and developments in IP practice and the court system to contract drafting readers of this book will find expert insights into some of the most notable developments in IP since the inception of The IPKat blog
