Technological innovation (4IR) in law teaching and learning: Enhancement or drawback during Covid-19

Charles Maimela, 2022-12-30 Technological innovation 4IR in law teaching and learning Enhancement or drawback during Covid 19 book emerged from a lecture series the Faculty of Law at UP hosted in the 2021 academic year Aiming to test the state of teaching and learning during the pandemic the lecture series asked whether ERT and learning ERTL compromised or enhanced the teaching and learning of law Among others various academics from UP Law as well as from the universities of KwaZulu Natal Johannesburg and Free State as well as officials from the DHET participated in the series This collection comprises chapters written by some of the representatives who were involved in the lecture series This book aims to set the tone for teaching and learning of law after the pandemic It is our hope that the lessons learnt during the pandemic will be adopted in the day to day teaching pedagogy of law in the future Despite the disruptions caused by the pandemic a possibly unseen benefit can be identified As this book argues law teaching and learning using technological innovations have been positive for both academics and students Thanks to technological innovation the discipline of law is arguably in a far better position after the pandemic than before

Digital Public Relations and Marketing Communication Trends in Africa

Anne W. Njathi, Brandi Watkins, 2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead

Philadelphia Academy of Natural Sciences of Philadelphia. Library, 1972 Atlas, 1969 **Organise or Die?** Raphaël Botiveau, 2017-12-01 The story of one of the leading trade unions in South Africa the National Union of Mineworkers and its role in the struggle against white minority rule Organise or Die Democracy and Leadership in South Africa's National Union of Mineworkers NUM is the first in depth study of one of the leading trade unions in the country Founded in 1982 the trade union played a key role in the struggle against white minority rule before turning into a central protagonist of the ruling Tripartite Alliance after apartheid Deftly navigating through workerist social movement and political terrains that shape the South African labour landscape this book sheds light on the path that led to the unprecedented 2012 Marikana massacre the dissolution of the Congress of South African Trade Unions Cosatu federation and to fractures within the African National Congress ANC itself Working with the notions of organisational agency and strategic bureaucratisation Raphaël Botiveau shows how the founding leadership of NUM built their union's structures with a view to mirror those of the multinational mining companies NUM faced Good leadership proved key to the union's success in recruiting and uniting mineworkers and NUM became an impressive school for union and political cadres producing a number of South Africa's top post apartheid leaders An incisive analysis of leadership styles and strategies shows how the fragile balance between an increasingly distant leadership and an increasingly militant membership gradually broke down Botiveau provides a compelling narrative of NUM's powerful history and the legacy of its leadership It will appeal to a broad readership including journalists students and social sciences scholars interested in South Africa's contemporary politics and labour history Security and Politics in South Africa Peter C. J. Vale, 2003 Exploring how the region is changing today as transnational solidarity and a single regional economy remove the distinctions between national and international politics he asks whether South African domination can finally be overcome and considers what sort of cosmopolitan political arrangement will be appropriate for southern Africa in the new century BOOK JACKET **Unlocking the chains of knowledge** Monwabisi K Ralarala, Suren Pillay, Zannie Bock, Russell H. Kaschula, 2025-02-28 Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal addresses the complex yet imperative task of reshaping the colonial legacy embedded within South African higher education and beyond The book confronts the historical and ideological bindings that have entrenched European centric knowledge within the fabric of academia in Africa propelling a transformative journey within the Arts and Humanities At its core this work presents a tripartite focus firstly understanding the deep seated issues ingrained in the traditional university structure secondly remaking pedagogical practices and lastly renewing the curriculum Recognising the historical dominance of Eurocentric ideas the book explores various movements theories and practices from negritude to postcolonial theory aiming to emancipate and amplify the voices and knowledge of those historically excluded With a commitment to a pluralistic approach the book scrutinises the power dynamics of language the importance of diverse perspectives and the challenging task of inclusion without replicating the divisive structures of the past Prof Christine

Winberg Research Chair in Work integrated Learning Cape Peninsula University of Technology In Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal the editors provide a decisive and detailed reflection and profound understanding of complexities of knowledge generation in Southern Africa Unlike many volumes that address these intricate complexities this volume not only navigates the intricate complexities of the long history of epistemic injustices and intolerance in the Southern African higher education environment but delves deeper into the core of what is required for curriculum transformation and renewal The groundbreaking volume addresses the urgent need for linguistic inclusivity consciousness about decoloniality as well as embedding social justice in South African and Zimbabwean education and by doing so presents strategies that can be used by the rest of the African continent in addressing the scourge of coloniality Prof Pamela Maseko Executive Dean Faculty of Humanities Nelson Mandela University

Re-Envisioning and Restructuring Blended Learning for Underprivileged Communities Bosch, Chantelle, Laubscher, Dorothy Joy, Kyei-Blankson, Lydia, 2021-05-14 Challenges in the educational arena are not new phenomena However with the recent outbreak of the COVID 19 pandemic researchers and educators have been made even more aware of the need for a paradigm shift in education Blended learning as opposed to fully online learning or traditional face to face teaching has been well researched and has been found to have the potential to provide better educational solutions in challenging contexts These contexts range from pandemic situations where social distancing is the order of the day to financial and time constraints regarding full time study as well as limited physical capacity at institutions Blended learning solutions are often designed for resourceful institutions and cannot be easily implemented in developing countries and in communities where resources are limited Typical issues like connectivity accessibility lack of suitable devices and affordability need to be taken into consideration and in cognizance of blended learning interventions These challenges are often neglected in blended learning research but are critical discussions to be had Re Envisioning and Restructuring Blended Learning for Underprivileged Communities shares how institutions in the developing world and less privileged communities have re imagined and restructured blended education to enhance teaching and learning for underprivileged communities This book aims to address blended learning solutions across institutional program course and activity levels The chapters will cover a variety of learning environments from rural settings to less developed countries and more and explore the programs and courses designed to improve student success and accessibility in diverse student populations This book is ideally intended for teachers administrators teacher educators practitioners stakeholders researchers academicians and students who are interested in blended learning opportunities in less privileged settings and to underserved and marginalized populations
