It was a warm summer day and Alice was getting bored sitting beside her sister, suddenly, a little White Rabbit with pink eyes ran in front of her shouting, "Oh dear, I'm late," and then disappeared down a rabbit's hole. "I must find out why he's in such a hurry!" cried Alice. She ran to the rabbit's hole and peeped through the entrance. The hole dropped suddenly and Alice fell. Finally she landed in a narrow hallway with doors of many sizes. On a table, Alice found a tiny gold key and a green bottle that said "DRINK ME" she drank it. Alice began to shrink until she was no bigger than a doll. She opened the door and quickly ran through it. "What a splendid garden!" she exclaimed. But the excitement soon wore off. "I want to be big again," she shouted. Alice went looking for help.

Soon, she saw a green caterpillar. He was sitting on the top of a large mushroom. "One side make you big, the other side make you small, the mushroom," he answered. Alice ate a piece of the mushroom. "Thank goodness, I'm growing!" Alice continued her walk. In the middle of a field the Queen of Hearts was playing croquet. "Have you ever played croquet?" the Queen asked Alice. "Yes," Alice answered. "Play with me!" ordered the Queen. "And let me win or I'll have your head!" "Off with her head!" cried the Queen. Alice felt someone touch her shoulder. "Wake up. You've been sleeping for too long," said her sister softly. "I had a strange dream," said Alice.

Rochester,2009-07-13 For far too long we've neglected the urban mission field. Many churches have moved to the outskirts of the city for various reasons and the urban landscape appears to be forgotten. Dr. Ren Rochester presents a vision for how communities can change this pattern and plant redemptive and sustainable urban ministries. *Models, Mentors, and Messages* takes a close look at the developmental stages of Jesus' life, focusing on how family, his heavenly Father, the Jewish community, and neighboring nations were used to shape his holy destiny. Through the example of Jesus' life, you will learn how to draw on your own formative years to show urban teens how to live out God's call in their communities. The most authentic models are individuals who have wrestled through life's challenges and learned to trust God in difficult situations, and so by empowering urban students today and showing them how to nurture one another in faith, you can help create sustainable ministries in which each generation will model for the next how to follow Jesus. The first of its kind, this book doesn't try to force old models on the urban context but rather teaches new ways to draw on Jesus' teachings to help an urban hip-hop generation live for Jesus and for one another. *The Gospel of Education* Martin Zschoche,2021-01-02 Re-explore teaching from the depths of brain-based accelerated learning research that reveals how students learn and respond to classroom environments and teacher interactions. By creating a warm and welcoming atmosphere complete with music and fun, your students learn how much you care for them and understand their needs. Your words are powerful and everything you do or say sends a message, consciously or non-consciously, to your students. Through purposeful classroom management and choreographed instruction, grab your students' attention and keep them so focused there is no time to become distracted or misbehave. By removing students' fear factors and giving them leadership roles, students take ownership of the classroom productively, engaging with each other and learning deeply together. Turn assessments into a joyful experience of profound learning. Be that teacher the students remember fondly years after they leave school, the one about whom they say, "We learned sooooo much and we remember it." **Congressional Record** United States. Congress,2003
