The Politics of Viewing in Xenophon's Historical Narratives Rosie Harman, 2023-01-12 This book considers cultural identity and power relations in early fourth century BCE Greece through a reading of Xenophon's historical narratives the Hellenica Anabasis and Cyropaedia These texts depict conflicts between Greek states conflicts between Greeks and non Greeks and relations between the elite individual and society In all three texts politically significant moments are imagined in visual terms We witness spectacles of Spartan military victory vistas of Asian landscape or displays of Persian imperial pomp and historical protagonists are presented as spectators viewing and responding to events Through this visual form of narration the reader is encouraged imaginatively to place themselves in the position of the historical protagonists In viewing events from different perspectives and therefore occupying multiple often conflicting political positions the reader not only experiences the problems faced by historical actors but becomes engaged in the political conflicts acted out in the narratives The reader is prompted to take pleasure in the sight of Panhellenic achievement but also to witness the divisions and conflicts between Greeks on class and ethnic lines Similarly the reader is invited to identify with spectacular Greek and non Greek figures of power as emblems of Greek imperial potential but also to see through the eyes of those communities subjugated at their hands The depiction of spectacles and spectators draws the reader into an active participation in the ideological contradictions of their time in a period when Panhellenic aspiration co existed with hegemonic competition between Greek states and when Greeks could be both beneficiaries and victims of imperialism

Homer's Iliad and the Trojan War Jan Haywood, Naoise Mac Sweeney, 2018-03-22 In this new volume Jan Haywood and Naoise Mac Sweeney investigate the position of Homer's Iliad within the wider Trojan War tradition through a series of detailed case studies From ancient Mesopotamia to twenty first century America these examples are drawn from a range of historical and cultural contexts and from Athenian pot paintings to twelfth century German scholarship they engage with a range of different media and genres Inspired by the dialogues inherent in the process of reception the book adopts a dialogic structure In each chapter paired essays by Haywood and Mac Sweeney offer contrasting authorial voices addressing a single theme thereby drawing out connections and dissonances

between a diverse suite of classical and post classical Iliadic receptions The resulting book offers new insights both into individual instances of Iliadic reception in particular historical contexts but also into the workings of a complex story tradition The centrality of the Iliad within the wider Trojan War tradition is shown to be a function of conscious engagement not only with Iliadic content but also with Iliadic status and the iconic idea of the Homeric *Time, Tense, and Genre in Ancient Greek Literature* ,2025-07-01 The 24 essays collected in this book address the complex interactions between concepts of time grammatical tense and type of genre of prose or poetry in ancient Greek literature The chronological scope stretches across nearly a millennium from archaic epic to the Second Sophistic from the emotional intensity of Homer to Plutarch and the playfulness of Lucian tracing patterns developments contrasts and intertextual allusiveness across diverse texts and authors These include dramatists Aeschylus Euripides Sophocles and Aristophanes philosophers Plato lyricists Alcman and Sappho ancient literary critics Dionysius of Halicarnassus orators whose lawcourt speeches were delivered literally against the clock in the form of the clepsydra Hellenistic poets Apollonius and Lycophron historiographers Herodotus and the fabulist Aesop The structure is informed by Greek philosophical categories exploring discrete metaphysical psychological aetiological and ethical ideas about temporality the collective project of the volume is to investigate how authors manipulated not only tenses but imagery moods and metres as well as generic conventions in shaping and articulating notions about orality literariness subjectivity immediacy presence futurity causation gender sexuality ethnography cosmology and remotest prehistory The result is a pioneering unique and multifaceted volume that throws light not only on the rich linguistic resources of the ancient Greek language in evoking time but on surprising interconnections between genres often studied in isolation *Herodotus and the Question Why* Christopher Pelling,2019-07-15 This study of the ancient historian s work is excellent A rigorous and engaging introduction not only to Herodotus but to many other Greek authors Times Literary Supplement In the fifth century BCE Herodotus wrote the first known Western history to build on the tradition of Homeric storytelling basing his text on empirical observations and arranging them systematically Herodotus and the Question Why offers a comprehensive examination of the methods behind the Histories and the challenge of documenting human experiences from the Persian Wars to cultural traditions In lively accessible prose Christopher Pelling explores such elements as reconstructing the mentalities of storyteller and audience alike distinctions between the human and the divine and the evolving concepts of freedom democracy and individualism Pelling traces the similarities between Herodotus s approach to physical phenomena Why does the Nile flood and to landmark events Why did Xerxes invade Greece And why did the Greeks win delivering a fascinating look at the explanatory process itself The cultural forces that shaped Herodotus s thinking left a lasting legacy for us making Herodotus and the Question Why especially relevant as we try to record and narrate the stories of our time and to fully understand them **Clinical Applications of Magnetic Nanoparticles** Nguyen TK Thanh,2018-02-06 Offering the latest information in magnetic nanoparticle MNP research this book builds upon the
