BEYOND GODS AND SCRIPTURES Joseph Mani, 2018-05-07 Religion has been the biggest divisive force in history This book examines the irrational and harmful beliefs of religious people which lead to religion becoming a destructive force Religion can be and has been a force for good too What are the aspects of religion that make it meaningful Does God exist The book details the scientific and philosophical arguments adduced for God's existence and how valid they are In the last section we look at five luminaries of science who either had close encounters with religious establishments or had strong views on religion and God We look at the lives of Copernicus Galileo Newton Einstein and Hawking not so much as scientists but as human beings with their own kinks and idiosyncrasies The author brings to this book his extensive knowledge of physics philosophy religion and the behavioural sciences

American River Road Beyond 2017 John Worker for Jesus Christ, 2014-05-02 The 1960s saw the dawn of manned space flights and America quickly recognized its destiny to seek out things beyond earth Despite the nations external wars and internal conflicts the sky and the future possessed our imaginations People had so much hope so much looking forward We were living American Pie years before the song with that title would come out Today my soul longs for the innocence of that childhood view In those days of long ago friends and I preferred to be outside throwing a ball searching for new finds walking through fields and forests looking up We never kept in touch Where are they now Do they feel as alone as I do My chest aches like an old hollow log its emptiness filled with pangs of joyful memories of things once whole a family a neighborhood a nation A lost time it is a lost spirit am I and inside me lives a heart that weeps for a dying country The mortal situation is so clear Together let us travel a 50 year American river road of loves sharp curves deaths hazardous potholes and murders sudden downhill drops We will dive into the polluted river of the decayed American soul descend to its very bottom and crawl in the muck We will then swim up and out of the river onto its opposite shore to begin our walk through swamps and forests that lead to a steep uphill climb to an incredible place of panoramic view The driver John Worker asks that the reader not become overly shaken as he steers you through a dark valley of personal reflection that you courageously survive it get through it because well you will find out when you get to the top of the other side The Threshold of Eternal Life

Sign—The Key to Unlocking Biblical End Times Prophecy, the Rapture of the Church, and Tribulation Period James L. Koontz,2014-07-31 The latest craze in Bible prophecy is the four blood moons and the Lord's feast days No doubt these are

important biblical signposts However these signposts do not provide the all important context of relating to the timing of any specific biblical event i e rapture of the church Antichrist signing the seven year covenant with Israel and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel s history In this riveting book James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lord s fall feasts Since Christ s resurrection and ascension the all important question for His disciples and for many of us now is when is Christ coming back for His bride Additionally when will the Antichrist sign the peace covenant with Israel when will the great tribulation begin and when will Christ s second coming be These are all very important questions that the great sign helps us understand being the key to unlocking Bible prophecy in our time Burned Alive Gerald R.

Loewen,2018-06-28 The hour is late The call has gone out Who will stand among those who have made themselves ready to be part of the Bride Who are those who are willing to consecrate themselves to pay the price to have the dross of their flesh burned off by the power of the Holy Spirit Who are those who are willing to buy gold refined by fire The inheritance of the Son is the Bride and the Father is resolute that His Son will see the reward of His suffering **Dostoevsky in the Arts and Beyond** Olga Tabachinkova,Liudmila Saraskina,Galima Lukina,Ekaterina Salnikova,2024-08-30 The book is a substantial contribution to international Dostoevsky research exploring Dostoevsky s contemporary relevance from a multicultural and multidisciplinary perspective It offers some fresh readings of Dostoevsky s texts presenting new complex studies on the writer and his works in the mirror of several arts of the last three decades The book is divided into three Parts featuring researchers from Bulgaria Great Britain Russia and Ukraine Part One deals with conceptual issues treating Dostoevsky above all as a prophet and philosopher and thus determines the ideological system of coordinates for the studies presented in the rest of the book Part Two examines Dostoevsky s legacy through the lenses of literary theory music and Illustration art and Part Three via world cinema and theatre The volume has gathered together an array of original and innovative studies from world leading experts in Dostoevsky s creative universe to make an authoritative input into the field Prophetic Histories
