Handbook on Tourism and Small Island States in the Pacific Marcus L. Stephenson, 2022-12-30 This timely handbook critically examines the development and role of tourism in small Pacific Island states located across Melanesia Micronesia

and Polynesia The volume presents an expansive evaluation of current issues challenges and potentialities for the 13 self governing states Interdisciplinary in coverage and borne of a varied and international authorship this handbook incorporates 27 specifically commissioned and original contributions Structured into four thematic sections and embellished with insightful tables and illustrations throughout the overarching ethos of this volume is to contribute to framing the role of tourism tourism development and the tourism industry within the context of self governing Pacific Island states faced with the challenge of pursuing an independent path of development In doing so the work highlights and deciphers various tourism development perplexities in the Pacific examining closely the intersecting sociocultural geopolitical environmental organizational operational and strategic challenges This volume thus discusses a range of issues facilitators and inhibitors of tourism growth and development climate change ecological concerns and eco tourism non tourism and undertourism crisis management and the COVID 19 virus transportation and tourism infrastructural concerns tourism policy and planning including tourism governance sectoral links between tourism food and agriculture gender and micro entrepreneurship community management and participation cultural and natural heritage sites and the handicraft industry The work pays critical attention to the various trajectories of sustainable tourism and the United Nations Sustainable Development Goals Despite the many challenges and concerns raised the book implicates the importance of good governance progressive post COVID 19 recovery strategies and directives and creative and imaginative options in the successful development re development and advancement of tourism As a definitive reference resource for this subject area this handbook will be of great interest to students researchers and academics within tourism development studies geography Pacific studies sustainability and environmental studies Millennials, Generation Z and the Future of Tourism Fabio Corbisiero,Salvatore Monaco,Elisabetta Ruspini,2022-06-23 This book examines the lifestyles expectations and plans of Millennials and Generation Z and how they are redefining tourism It demonstrates that if the tourism industry is to enjoy future growth it must understand and meet the particular needs of these two generations The volume explores the present and future challenges faced by the tourism industry as a result of the generational turnover and seeks to answer the following questions What contribution can the new generations make to the future of tourism How are technological advancements and social networks shaping future travel trends Can a generational perspective be useful to help the tourism industry recover from the COVID 19 crisis The book will be of interest to researchers and students of sociology and tourism studies as well as tourism professionals The State and Cosmopolitan Responsibilities Richard Beardsworth,Garrett Wallace Brown,Richard Shapcott,2019 This book explores the role that states might play in promoting a cosmopolitan condition as an agent of cosmopolitanism rather than an obstacle to it In doing so the book seeks to develop recent arguments in favour of locating cosmopolitan moral and political responsibility at the state level as either an alternative to or a corollary of cosmopolitanism as it is more commonly understood qua requiring transnational or global bearers of responsibility As a result the

contributions in this volume see an on going role for the state but also its transformation perhaps only partially into a more cosmopolitan minded institution instead of a purely national or particularistic one It therefore makes the case that the state as a form of political community can be reconciled with various form of cosmopolitan responsibility In this way the book will address the question of how states in the present and in the future can be better bearers of cosmopolitan responsibilities
