

# Sonnet 18 (Shall I compare thee to a summer's day?)

By William Shakespeare

**Directions:** Work to paraphrase the poem into its literal meaning, identify the examples of figurative language and/or poetic devices, and determine the tone of the poem and the poem's theme.

**How to analyze figurative language:**

1. **Identify and state the type of figurative language** is being used. (Simile, metaphor, personification, hyperbole, or alliteration)
2. **Explain why it is an example of that device.** If it is a comparison, include both the **tenor** and the **vehicle**. The **tenor** is the subject of the comparison, the **vehicle** is the image or idea that represents the subject.
3. **Explain the idea the writer is expressing through the language.** Don't just define the term, explain how and why it is used.
