Mastering Emotional Intelligence Dr. Pratik P SURANA (Ph.D), 2021-03-06 success at work is 80% dependent on emotional intelligence and only 20% dependent on IQ HR magazine November 1997 If we are aware of emotions there is the question of managing them This needs some elaboration We do not generally control all our emotions consciously but we are often required to control certain emotions on certain occasions This control of behaviour is inculcated in us while we grow up in a community Hence as cultured and civilized beings we do learn to control some emotions on some occasions However this

is part of being shaped by the society or community We do not make conscious efforts to control extreme joy or extreme grief deliberately The book talks practical aspects of how Emotions can be managed well
