Tomorrow's Parties Peter M. Coviello, 2013-04-19 Dazzling intelligence radiates here out from sentences giving such pleasure yielding the finest devotion I've seen to literature's own theoretical force Coviello listens carefully brilliantly for the flickerings the liquid meanderings all too easily explained as sexual or never even perceived at all Here is a critic as joyful as Whitman with his dark core fully afire Kathryn Bond Stockton Distinguished Professor of English at University of Utah In nineteenth century America before the scandalous trial of Oscar Wilde before the public emergence of categories like homo and heterosexuality what were the parameters of sex Did people characterize their sexuality as a set of bodily practices a form of identification or a mode of relation Was it even something an individual could be said to possess What could be counted as sexuality

Tomorrow's Parties Sex and the Untimely in Nineteenth Century America provides a rich new conceptual language to describe the movements of sex in the period before it solidified into the sexuality we know or think we know Taking up authors whose places in the American history of sexuality range from the canonical to the improbable from Whitman Melville Thoreau and James to Dickinson Sarah Orne Jewett Harriet Jacobs Frederick Douglass and Mormon founder Joseph Smith Peter Coviello delineates the varied forms sex could take in the lead up to its captivation by the codings of modern sexuality While telling the story of nineteenth century American sexuality he considers what might have been lost in the ascension of these new taxonomies of sex all the extravagant untimely ways of imagining the domain of sex that under the modern regime of sexuality have sunken into muteness or illegibility Taking queer theorizations of temporality in challenging new directions *Tomorrow's Parties* assembles an archive of broken off uncreated futures futures that would not come to be Through them Coviello fundamentally reorients our readings of erotic being and erotic possibility in the literature of nineteenth century America Peter Coviello is Professor of English at Bowdoin College He is the author of *Intimacy in America* *Dreams of Affiliation in Antebellum Literature* and the editor of *Walt Whitman's Memoranda During the War in the America* and the *Long 19th Century* series
