the foundation they're built on and all too often the foundation is weak. But that's changing. With the introduction of EPUB 3, publishers now have the means to create a single rich data source for audiences of all reading abilities. Through practical tips and examples, *Accessible EPUB 3* takes you inside the EPUB 3 format and explores how you can enrich and enhance content for all readers. Author Matt Garrish demystifies the process of making content easier to access, demonstrating how accessible practices are intertwined with standard content best practices. Among many techniques, this guide will teach you how to add structure and meaning to your publications to make them more usable by accessible technologies. Tailor EPUB Navigation Documents for readers requiring either full or reduced navigation. Create media overlays to synchronize human narration with text display. Improve text-to-speech playback by adding SSML, PLS lexicons, and CSS3 Speech functionality.

Investigations in Number, Data, and Space, 2008. Part of a K-5 mathematics curriculum with curriculum units for classroom use and resources for teachers, the Investigations curriculum was developed at TERC, formerly Technical Education Research Centers.

Oh Yeah? Proof It!, Grade 6, 2012-10-22. *Oh Yeah Proof It!* provides the student an opportunity to grow their language arts skills while being Editor In Chief. This helpful classroom resource enhances a student's understanding of the importance of proofreading. Presented as a school newspaper, students have the opportunity to edit a variety of newspaper articles, including school news, play reviews, advertisements, and even comics. The activities not only help students identify mistakes in written text but also allow them to become more confident in their own writing, reinforcing essential grammar, spelling, and other language arts skills. A complete answer key is also provided for the student or teacher to check their work.
