A KWIC Concordance to Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-glass Michael James Preston, 1986 Books Out Loud, 2007 Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that analyses the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and has gained a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror and charts the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 1960s through to the slick releases of the 2000s Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but also acts as a truly entertaining guide with which to explore the less well trodden paths of horror and rediscover the classics with a newly instructed eye

Desperate Storytelling Roger B. Salomon,2008-07-01 Desperate Storytelling demonstrates how writers from Byron to Saul Bellow have embraced Cervantes's vision of the artist as creative exile born to tell tales of valor and nobility yet doomed to recognize the world's banal reality Forced to portray adventure in a reductive voice these writers have immersed heroism in madness and narrative in mockery Their fictions reflect an awareness of life's absurdities yet a refusal to forsake the ideal Reassessing the post Romantic literary consciousness Roger B Salomon explores the many permutations of the mock heroic mode the complex aesthetic instrument brought into being by Cervantes one by which a writer takes on a dual role as both nostalgic creator and ironic critic The mock hero is almost by definition an outdated one aligning his deepest emotional attachments to dead mythologies and forgotten codes of ethics he is an alienated figure in a landscape hostile to the possibility of any kind of attainment Just as Don Quixote's noble madness in an ignoble age invites both sympathy and derision so later incarnations of the mock hero immerse the reader in a dialogue between the real and a faded ideal between the sensible and the admirable Describing a literary mode that joins heroic endeavor with its deflating results Desperate Storytelling traces the adventures of literature's misplaced heroes from Nabokov's Berlin to Saul Bellow's Chicago from James Joyce's Dublin to Mark Twain's Mississippi **The Longest War** Catherine Harrington,2025-07-30 As a naive freshman Catherine meets Walter a senior and Big Man on Campus whose sophistication confidence and wealth both intimidate and excite her A three year absentee courtship follows during which time the idea of Walt tethers Catherine to safety She was programmed to marry someone like him so she ignores the warning signs that they might not be a good match Hoping to please her mother and seeking refuge from her fraught childhood she marries and has children with him but the marriage doesn't last Once divorced Catherine finds herself in a war with Walt over money and then over access to her children and suddenly she can no longer ignore her childhood trauma The high stakes of her battle with her ex husband forge her like steel finding every vulnerability where she needs to heal Gradually she develops a backbone relinquishes her trauma induced people pleasing ways and steps into her own power Honest and unflinching The Longest War reminds us that there's always a way through when we access the courage within ourselves No matter how painful life's difficulties they offer us the opportunity to heal ourselves and evolve into more open loving compassionate people The choice is ours High Water Lynn Hightower,2025-08-26 A dynamite tale of family fallout mystery and intrigue southern style Demands to be read in one all night page turning frenzy David Baldacci 1 New York Times bestselling author In her beloved hometown of Beaufort South Carolina Georgie Smallwood has carved out a life for herself but it hasn't been easy A teenage mother at sixteen she built a thriving business restoring and selling antiques with the help of her steel magnolia mother But little does Georgie know how

deep the secrets run in her family until her mother dies under circumstances that she finds suspicious even if her sister and brother don't Georgie can't help but think the worst of her controlling unfaithful father whose murky military past haunts him The slow drops of doubt pool into a surging wave of fear that threatens to destroy the bond between Georgie and her siblings and sink the very foundations they have built their lives upon High Water is a gripping Southern thriller about blood ties betrayal and the legacy of silence where the past rises like the tide and nothing stays buried forever High Water is a lyrical compelling novel about secrets family and even love Lisa Scottoline New York Times bestselling author Hightower fills the story with plot twists that will appeal to thriller fans but the novel steeped in the feel of small town South also offers an introspective look at a woman's life her personal relationships and her sense of family loyalty Booklist This intensely involving study of family dysfunction is distinguished by its driving prose lyricism and psychological nuance Publishers Weekly The story hurtles along as rapidly as any of Hightower's police procedurals or thrillers but finds room for a world of family pain and southern warmth Kirkus Reviews
