

Captured by ALIENS?

**A History and Analysis of
American Abduction Claims**

The background of the book cover is a digital illustration. It depicts a dark, saucer-shaped UFO hovering in a deep blue sky. A bright, circular light emanates from the center of the UFO, with several vertical beams of light shining down onto a desolate, dark landscape. In the center of the landscape, a small, dark silhouette of a person stands with their back to the viewer, looking up at the UFO. The overall color palette is dominated by blues and oranges, suggesting a twilight or night scene.
