Buell, 2014-02-10 Magisterial makes you suddenly see new things in familiar books brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes Michael Dirda Virginia Quarterly Review The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying more than 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates and their themes illustrated by such titles as The Scarlet Letter The Great Gatsby Invisible Man Uncle Tom's Cabin Beloved Moby Dick and Gravity's Rainbow works dwelling on topics from self invention to the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction Engaging and provocative ultimately affirms the importance of literature to a nation's sense of itself Sarah Graham Times Literary

Supplement Rich in critical insight Buell wonders if the GAN isn't stirring again in surprising new developments in science fiction An impressively ambitious literary survey Booklist starred review *Istorica* Michelle Levigne, 2016-01-21 Khyber is Istorica for the exiles the one entrusted with remembering all their history everything they've learned Despite the support of her grandmother Dayree Khyber feels she's let down her family by not being able to step between worlds and take the exiles home She has many gifts but her talent for telling stories becomes the most important when it offers the exiles a chance to reach out and find other exiles from Rehdonna However enemies have followed the exiles to Earth and the only way to protect her family and village is to live separated from them under a false name For the sake of the exiles Khyber will do whatever it takes and in the process find her way home *Generation M (The Toucan Trilogy, Book 3)* Scott

Australian Books and Authors in the American Marketplace 1840s-1940s David Carter,Roger Osborne,2018-07-02 Australian Books and Authors in the American Marketplace 1840s 1940s explores how Australian writers and their works were present in the United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright

law interacted to create both opportunities and obstacles for Australian writers **The Pall Mall Budget** ,1884 **E. F. Benson ULTIMATE COLLECTION: 30 Novels & 70+ Short Stories (Illustrated)** E. F. English Fiction in the 1930s Chris Hopkins,2006-12-07 This study approaches the fiction of the 1930s through critical debates about genre language and history setting these in their original context and discussing the generic forms most favoured by novelists at the time Chris Hopkins uses a series of case studies of texts to draw on develop or explore the boundaries contemporary usefulness and complexities of particular prose genres Generic debates and the political aesthetic effects of different kinds of representation were live issues as discursive struggles and negotiations took place between modernist and realist modes between high middle and lowbrow categorisations of culture between literature and mass

culture and between different conceptions of the role of the writer politics and nationality sexuality and gender identities Chris Hopkins draws both on well known texts and on novels which have only recently begun to be discussed by critics of the thirties particularly those by women writers whose work has still not been related very clearly to the literary and political debates of the period Organised in five sections each focusing on major genres he takes a wide range of novels as case studies and discusses their uses of generic forms relating them to other examples and to their historical political and cultural contexts *Ingles. Rebranding Rule Kevin Sharpe,2013-06-30 In the climactic part of his three book series exploring the importance of public image in the Tudor and Stuart monarchies Kevin Sharpe employs a remarkable interdisciplinary approach that draws on literary studies and art history as well as political cultural and social history to show how this preoccupation with public representation met the challenge of dealing with the aftermath of Cromwell s interregnum and Charles II s restoration and how the irrevocably changed cultural landscape was navigated by the sometimes astute yet equally fallible Stuart monarchs and their successors
