On The Cards Garnet Walch, Sunish Chabba, 2020-04-19 The dedication is worthy of Mark Twain or any of the other great humorous writers and we doubt if any of them has hit upon such a quaint conceit The Herald Melbourne VIC Wed 29 Dec 1875 Melbourne should be proud of such a production A Literary Creative Masterpiece Set in fairly old times Australia crowded with unfamiliar fancy and comical characters Charley the protagonist quickly finds his place as an English gentleman in the search of his lost sister on a theater stage in the middle of the night Completely oblivious of the night to come he witnesses a tragedy that will unfold a new reality for him Hence the adventure begins with a strange ghostly interlude entirely unexpected in a story that starts as a wordy moderate fiction And it does not go any slow An Oriental Djinn with a deck of cards and his uncanny and sometimes weird exhibitions come and go in no time Flowing illustrious and poetic this piece is completely different from an everyday fiction This neat amalgam of comical performances a conundrum of future and desperation of union which was forgotten in the pages of history must unite a modern audience You will also find real advertisements from the original book published in 1875 After the success of Collector s Edition book made possible through the crowdfunding website Kickstarter this is now available as an ebook for all of you to enjoy If you are a fan of fiction or Australian history or Pantomimes you will love this work

Death in the Cards Mia P. Manansala, 2025-05-13 The young adult debut from the award-winning author of *Arsenic and Adobo*. When a high school tarot reader's latest client goes missing after a troubling reading, she must apply everything she's learned from her private investigator mother to solve a case of her own. Danika Dizon is a natural problem solver. Thanks to her private investigator mom and mystery author dad, she's equipped with the skills to offer guidance to anxious classmates who come to her for a tarot reading between classes. For a price, of course. But when one of her clients vanishes shortly after they're dealt a death card, the girl's younger sister Gaby begs Danika to figure out what went wrong. Danika takes on the case, thinking it's the perfect way to prove to her parents that she should be an official investigator in the family's detective agency. What starts off as a compelling challenge quickly devolves into something darker as Danika and Gaby peel back layer after layer of the secret life the missing girl has been living. A life that those involved would do anything to keep from being revealed.

This sparks an awakening that opens door after door of a long line of mystic and witch incarnations that run throughout her history. As she reconnects to these deep mystical ties, she begins to learn about her destiny, which is revealed as she starts to encounter coven sisters and foes from previous incarnations. Will her tendency to hide in the shadows and play small continue to hold her back, or will the call of the cards lure her onto her destined path of a life full of magic and sisterhood?
