composition of the first and fourth scenes of this new work *La Source*. The other two scenes were entrusted to the young L. o. Delibes thirty at the time who had drawn favourable attention to himself in the preparation of the ballet music for the premiere of Meyerbeer's posthumous *L'Africaine* in 1865. The first performance of *La Source* on 12 November 1866 was great success for Delibes whose bold and colourful composition was praised at the expense of Minkus's subtler contribution. Saint L. on immediately began planning another work with Nutter and Delibes and one which would crown the young French composer's success with triumph *Coppélia*. Saint L. on nevertheless continued to work with Minkus despite his busy engagements in Paris. The choreographer's greatest ballet for Russia was his work with Cesare Pugni *Koniok Gorbunok* *The Little Humpbacked Horse* 1864 based on a Russian fairytale. He now tapped into the same folk material in a new work with Minkus *Zolotaya rybka* *The Golden Fish* based on Alexander Pushkin's *Legend of the fisher and the little fish*. On 20 November 1866 for the celebration of the Tsarevitch's wedding Saint L. on oversaw the production of a one act version of this new ballet *Le Poisson dor* at the Bolshoi Kamenny Theater in St Petersburg. The work was then developed as a three act ballet for the same theater a year later 8 October 1867. Minkus's music was very well received. As with *La Source* it was carefully adapted in form and mood to the scenario remarkable for its panache and beautiful writing for solo instruments violin flute cello cornet and for reflecting the nature of the fairytale scenario in the appropriation of national folk styles Polish Kazak Cossack. The score was considered worthy of full publication in piano reduction by the St Petersburg house of Stollowsky c. 1870 and is reproduced here. The last collaboration between Minkus and Saint L. on followed two years after that a partial arrangement of *La Source* given in St Petersburg as *Liliya Le Lys* in 1869.

Symphonic and Chamber Music Score and Parts Bank Thematic Catalogue of the Barry S. Brook Facsimile Archive of 18th and Early 19th Century Autographs, Manuscripts, and Printed Copies at the Ph.D. Program in Music of the Graduate School of the City University of New York

Symphonic and Chamber Music Score and Parts Bank (City University of New York), Ruth Halle Rowen, 1996. The *Symphonic and Chamber Music Bank* of the Ph D Program in Music at the Graduate School of the City University of New York is an archive of 18th and 19th century reproductions assembled with a special purpose. Pertinent parts and scores have been culled from libraries and collections world wide bringing a lesser known notated music to a central location for further intensive study. The archive which has been expanding steadily since 1974 was conceived by Professor Barry Brook the first Executive Officer of the CUNY Music Department. It is our intent to present the compositional sources the compositions heard in the classical salons courts and concert halls which did not necessarily make their way into the current repertoire. Excluded are the bulk of the works of the masters Haydn Mozart and Beethoven which have already been catalogued extensively and are constantly being updated. Included are any compositions from the early 1700s through the 1830s which have survived. These building blocks of yesteryear are the foundation for a penetrating rediscovery and assessment of music in the Classic Era.
