Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb's publication *The Texas Rangers* Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic Editors Bruce A. Glasrud and Harold J. Weiss Jr gather essays that profile individual historians of the Texas Rangers explore themes and issues in Ranger history and comprise archival research biographies and autobiographies Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume Traditionalists Chuck Parsons Stephen L. Moore and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force To these historical writers the Texas Rangers were part of a golden age Revisionists Robert M. Utley Louis R. Sadler and Charles H. Harris pull back from this adulation emphasize the importance of overlooked ethnic and racial groups and point out misbehavior on the part of Rangers They also want to separate fact from fiction Some Ranger historians Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works The final group Cultural Constructionalists Gary Clayton Anderson Amrico Paredes and Monica Muñoz Martinez continue the work of Revisionists and focus on an interconnected past that

includes theoretical approaches and the study of memory and regional identities Several themes emerge throughout the book One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society This divergent examination especially derived from incidents in the US Mexican War the period from 1910 to 1920 and the lower Rio Grande valley in the 1960s And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers Anglo Black Hispanic Indian and women Rangers
