199mustang Aode Transmission Rebuild:

Ford AOD Transmissions George Reid, 2014-06-16 While millions of Ford rear wheel drive cars are equipped with the durable and simple C4 and C6 transmissions of the 1960s early in the 1980s Ford replaced those old designs with the AOD transmission for a new generation of cars Overdrive gears once popular before WWII were now becoming popular again as manufacturers were under increasing pressure to raise fuel economy to meet ever more demanding EPA standards A nice byproduct of that was more comfortable cruising speeds where your engine didn't have to work so hard in addition to getting better fuel economy In *Ford AOD Transmissions Rebuilding and Modifying the AOD AODE and 4R70W* author George Reid walks you through the process step by step from removing the transmission from the vehicle to complete disassembly and cleaning to careful reassembly to proper re installation and road testing Performance modifications are also covered as well as an ID guide for various model numbers evolutionary design changes shift kit installation and torque converter selection This book is ideal for people who already have one of these transmissions in their car as well as enthusiasts who would like to swap one of these more modern units into an older chassis to get all the benefits of overdrive If you plan on researching or working on any one of these overdrive models this book is a vital addition to your workbench or library
