The Unashamed Clay A. Kahler, 2011-09-16 But I don't know how to study the Bible on my own. Does this sound familiar? Perhaps you have used this excuse yourself. *The Unashamed* was written to counteract this mind set. As you go through this book you will learn essential skills and methods that will enable you to accurately study Scripture on your own. Personal Bible study is one of the most important and rewarding of all of the spiritual disciplines. We are commanded to be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth. 2 Timothy 2

15 **Basis of Preaching Biblical Message: Preach the Word** Rev Dr koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings. It is imperative for all the committed Christians to learn and live with the Biblical truths. As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law. **Basis of Preaching Biblical Message: Preach the Word** is for the glory of God, the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational, some are humorous while others use sound logic and well reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead learn from them and develop your own style as a good communicator. Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book **Basis of Preaching Biblical Message: Preach the Word**. It is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit. This is focus in the book *The Bible's Greatest Questions Answered* Kuda Mupfeka Sr, 2014-05. This book is an amalgamation and skillful blending of revelation, spiritual insight, academics, research and refined biblical theology. This work caters for the unbeliever, born again, Charismatic, Pentecostal, Evangelical, mainline, Religious Traditionalist, student, skeptic and atheist. There is something for

everyone in this revered and well researched work This is one of the few books of its kind that blends scholastic wisdom academic research and historical actualities with fresh bible based revelation The author does not bid to coax or cajole you to go with his school of thought neither does he bestow a myopic viewpoint but uses The Word to explain The Word and balances it with authentic historical facts substantiated theological facts and leaves you in a place where you can choose either to believe history astuteness scripture or academics which are all intermarried in this imposing and revered work Go through this work not as a denigrator but as a student maintain an open mind and you will just be startled how certain mysteries can be solved so simply through divine wisdom that can still be proved by science history actualities and adroitly balanced biblical theology I have also thrown two bonus chapters in this book Chapter 9 that deals with How to Study your Bible in a Transforming Way The chapter will help you to Ask the right questions Read the Bible topically Systematically Maintain an open mind and a receptive spirit Be prayerful and ask for the leading of The Holy Spirit Move in Revelation Knowledge Chapter 10 is the bridge between revelation and scholastic astuteness that will help us in Bringing The Balance I pray that this book will be a great blessing to you and that a hunger for God and for God s Word will arise inside you Read this book with an open mind and with a prayerful heart and be blessed

Twelve Biblical Steps to a Successful Marriage David S. Thompson,2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God s Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College

Teachings and Studies by Topic of the New Testament Miguel Moreno,2023-01-05 When I first became a Christian and for the first twenty two years of my life with Christ I didn t know that I didn t know that I wasn t a mature Christian I was

not taught how to and what it took to grow spiritually and become a spiritually mature Christian But even so I still thought that I was a mature Christian After all in all those years I had come to know and learned a lot of things about the Bible God's Word and about God I even served Him What I didn't know was that my growth was merely intellectual but not spiritual It wasn't until after twenty two years that God in His love through His Word and with the help of His Holy Spirit taught me what it really took for me to grow spiritually He taught me the things I needed to go through in order to understand what it takes to become a spiritual mature Christian as well as a true servant of God Now He is using me to share His studies in this book so He can help many Christians understand the importance and what it takes to start growing spiritually not just intellectually from the moment they believe and receive Jesus as their Savior and Lord as well as the dangers of becoming stagnant or allowing the enemy to take them to a state of conformism in their own spiritual growth According to Ephesians 4:13-15 God wants us to get all the way to the measure of the stature of the fullness of Christ that we all may grow up in all things into Him who is the head Christ So I pray that as you read and study this book with the help of the Holy Spirit and God's Word God will show you and help you understand what it takes for you to grow spiritually until you become spiritually mature and until you get to the fullness of Christ so you can become everything that He wants you to become
