## **2 While You Watch Hotel Rwanda:**

Hollywood's Africa after 1994 MaryEllen Higgins, 2012-11-01 Hollywood's Africa after 1994 investigates Hollywood's colonial film legacy in the postapartheid era and contemplates what has changed in the West's representations of Africa. How do we read twenty-first century projections of human rights issues: child soldiers, genocide, the exploitation of the poor by multinational corporations, dictatorial rule, truth and reconciliation within the contexts of celebrity humanitarianism, new military humanitarianism, and Western support for regime change in Africa and beyond? A number of films after 1994, such as *Black Hawk Down*, *Hotel Rwanda*, *Blood Diamond*, *The Last King of Scotland*, *The Constant Gardener*, *Shake Hands with the Devil*, *Tears of the Sun*, and *District 9*, construct explicit and implicit arguments about the effects of Western intervention in Africa. Do the emphases on human rights in the films offer a poignant expression of our shared humanity? Do they echo the colonial tropes of former civilizing missions? Or do human rights violations operate as yet another mine of sensational images for Hollywood's spectacular storytelling? The volume provides analyses by academics and activists in the fields of African studies, English film and media studies, international relations, and sociology across continents. This thoughtful and highly engaging book is a valuable resource for those who seek new and varied approaches to films about Africa. Contributors: Harry Garuba and Natasha Himmelman, Margaret R. Higonnet with Ethel R. Higonnet, Joyce B. Ashuntantang, Kenneth W. Harrow, Christopher Odhiambo, Ricardo Guthrie, Clifford T. Manlove, Earl Conteh, Morgan Bennetta, Jules Rosette, J. R. Osborn, and Lea Marie Ruiz. Ade Christopher Garland, Kimberly Nichele Brown, Jane Bryce, Iyunolu Osagie Dayna, Oscherwitz. **Stearns 2 in 1** Richard Stearns, 2014-10-28 Read the book that has inspired hundreds of thousands to change the world and the book that shows how best to accomplish that change. Together for the first time in one volume *The Hole in Our Gospel*, revised and updated, and *Unfinished* take us on a breathtaking journey to rediscover the critical mission of Christ in our world today and the richness of God's calling on our lives. *The Hole in Our Gospel* is a compelling true story of a corporate CEO who set aside worldly success for something far more significant and discovered the full power of the gospel of Jesus Christ to change his own life. He uses his journey to demonstrate how the gospel, the whole gospel, was always meant to be a world-changing social revolution, a revolution that begins with us. This special edition of *The Hole in Our Gospel* includes a new epilogue from author Richard Stearns, a church resource guide, color charts, and graphs on the needs of the world, and a concordance on poverty and justice. *Unfinished* might just challenge everything you thought you understood about your Christian faith, says Bill Hybels, senior pastor of the Willow Creek Community Church. If every Christian read this book and took it seriously, the world would never be the same again. Just before he left, Jesus sent his followers into the world with a revolutionary mission to change the world by proclaiming God's truth and demonstrating his incredible love. But the single task he gave us to accomplish remains unfinished. Just when I dare think my work is done, Rich reminds me that we are just getting started, says Max Lucado, pastor and best-selling author. Why are we here? What is our purpose, and where do we fit in the bigger story that

God is writing How should our faith affect our careers our money our families and our lives And why does it matter We will find our deepest purpose only when we discover the unique role God created for us to play in his unfolding story **The Movie Lovers' Club** Cathleen Rountree,2011-02-09 Large screen TVs and full line DVD services have liberated movie lovers from fear of parking and stale popcorn Across the country movie lovers are staying in and creating their own version of book clubs but without the homework The Movie Lovers Club the only guide for movie nights with friends motivates readers to form their own Lovers Club clubs to explore the more than 100 excellent film suggestions summaries critical reviews and insider anecdotes Author Cathleen Rountree offers a year s worth of must see classic contemporary independent and foreign films and provocative discussion questions to keep the cinematic conversation lively With everything readers need to know to start a Movie Lovers Club the book s selections run the gamut and include powerful films such as To Kill a Mockingbird Henry and June and Real Women Have Curves Whether you need advice for a political group a girls night out party or a band of indie film devotees movie watching reaches new depths with ideas on where when and how to launch a film group
