Young Warrior's Devotional Coloring Book Elder Marion Minors, 2022-10-27 Children today need more than just Bible stories to stand in their faith in God. Instead, they need inspiration designed to encourage them to develop a deeper relationship with the Lord. In an inspirational presentation, seasoned church youth leader Marion Minors shares quotes, scripture, and short tales that guide children to apply biblical truths to grow their faith, live their daily lives the best way possible, and adhere to the moral principles that God desires to promote His kingdom. Through her tales, children will learn how to follow the rules, trust God, love their neighbors, share God's love, obey His commands, and much more. Accompanying these Bible stories are related coloring pages for young readers to complete as they contemplate each lesson. *Young Warriors Devotional Coloring Book* is a collection of short tales and coloring pages that provide wisdom and encouragement from God to follow the principles found within His Word. *Inspire: 1 Corinthians--2 Thessalonians (Softcover)* Tyndale, 2022-07-05 *Inspire 1 Corinthians 2 Thessalonians* is a journaling Bible portion that offers a whole new way to engage with, meditate on, and respond to Scripture, leading beginning colorers and experienced illustrators to the Prince of Peace. *Inspire 1 Corinthians 2 Thessalonians* is an invitation to journey through the books of 1 Corinthians and 2 Thessalonians, immersing yourself in Scripture while coloring and creative art journaling. We have built this course upon the foundation of God's revelation about early human history, bringing the Bible to bear on the subject matter. The teacher's manual for *History of Little Pilgrims* seeks to enhance this study of the world and American history. Additional information and lesson ideas are provided so teachers should use these to expand the instruction of this course beyond the textbook. **Patchwork of the Heart - Adult Coloring Book** Charisma House, 2016-03 *Relax in the Warmth of Homespun Happiness 1-2 Thessalonians* Florence Morgan

Gillman, Mary Ann Beavis, HyeRan Kim-Cragg, 2016-11-08 When Paul wrote First Thessalonians shortly after the recipients had accepted the Gospel many significant issues had already arisen among them Of great concern was the social complexity and even persecution they encountered because they had turned to God from idols 1 9 The countercultural stance of those earliest believers and especially the impact that may have had for women is addressed throughout this commentary While Paul directs no remarks only to women in this letter the ramifications of his preaching on their daily lives emerge vibrantly from the application of a feminist hermeneutics of suspicion to the text While Second Thessalonians is a shorter letter it has been disproportionately influential on Christian thought especially apocalyptic doctrine and the Protestant work ethic From a feminist perspective it is androcentric rhetorically manipulative and even violent In this commentary Mary Ann Beavis and HyeRan Kim Cragg explore this text from many angles to expose both constructive and destructive implications in the text Notably they suggest a perspective on the afflictions endured by the Thessalonian church that neither glorifies suffering nor wishes for revenge but rather sees the divine presence in women's acts of compassion and care in circumstances of extreme duress and inhumanity From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God's vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text
