Everyday Life in the Spectacular City Rana AlMutawa, 2024-01-09 Everyday Life in the Spectacular City is a groundbreaking urban ethnography that reveals how middle class citizens and longtime residents of Dubai interact with the city's so called superficial spaces to create meaningful social lives Rana AlMutawa shows that inhabitants adapt themselves to top down development projects from big malls to megaprojects These structures serve residents evolving social needs transforming Dubai's spectacular spaces into personally important cultural sites These practices are significant because they expand our understanding of agency as not only subversive but also adaptive Through extensive fieldwork AlMutawa herself an Emirati native to Dubai finds a more nuanced story of belonging This story does not seek to uncover the real city that lies beneath the veneer of the spectacle but rather to demonstrate that social meanings and forms of belonging take place within the spectacle itself By offering an alternative to the discourse of authenticity and elucidating the dynamics of ambivalent belonging AlMutawa belies stereotypes that portray Dubai's developments as alienating and inherently disempowering Everyday Life in the Spectacular City speaks beyond the Middle East to a globalized phenomenon for Dubai's spectacles are unexceptional in today's changing world **The Romita Legacy** , 2011-01-31 John Romita Sr is as synonymous with Marvel as is Stan Lee Stan was the definitive writer and visionary of the Marvel Universe but Jazzy John was the ultimate catcher to all of Stan's pitches Arguably the most important contributor to Marvel canon with Jack Kirby and arguably the definitive Spider Man artist John Romita has left his mark creating defining and or designing some of Marvel's most well marvelous characters From being in our humble opinion the definitive Spider Man artist to helping design many of Marvel's major characters from Wolverine and the Punisher to Spider Woman The Kingpin and so many more And though it was Stan Lee and Steve Ditko who co created Spider Man and Peter Parker and helped us love the boy with the problems we all grew up with it was Jazzy John who allowed Peter to grow up and have the same problems many had growing up and glamorized Peter Parker and rounded out his stable of characters from Gwen Stacy and Harry Osborne and who also gave us the unbelievable entrance by Mary Jane Watson showing us just how Peter had hit the jackpot And John Romita Jr has also created a rich body of work that few can follow in his footsteps Having outgrown the shadow of his father early in his career John Romita Jr has shown the world why he is Mr Marvel From his early days working with Bob Layton on the Iron Man issues featuring the controversial issues of Tony Stark's alcoholism to his jump to stardom in the early 90's on the Uncanny X Men almost a decade after his first stint on the Uncanny X Men with Chris Claremont to his unbelievable work on Daredevil Man Without

Fear with Frank Miller and Al Williamson John proved that he was one of only a few artists who can shine working with a master such as Frank Miller Moving in to the new millennium John s work on Thor was nothing short of amazing as well as working on Daredevil with Ann Nocenti and Al Williamson But nothing has been more tailor made for John Jr s art than Marvel s flagship title Spider Man His return on Peter Parker Spider Man proved that he was Marvel s best choice for a Spider Man artist and when Joe Michael Straczynski took hold of Marvel s flagship title it was John Jr s art that made the great stories shine as well as they did One thing that s kept John s art fresh is his ability to move from character to character It definitely is bitter sweet to see John leave Spider Man and run around the Marvel Universe on characters such as The Eternals with Neil Gaiman proving that once again John Jr is the artists artist who can tackle such great projects and even on his run on the World War Hulk yes Hulk does indeed Smash one is mesmerized by his incredible artwork What s amazing is that as of this writing John Romita Jr will be returning to Amazing Spider Man 568 and this fan Nick Barrucci President of Dynamic Forces feels the excitement and energy to his return These are the things that we live for in comics it s rare to know when a series is going to be great because a great artist is working on it We are fortunate to be on the ground floor again but the anticipation is something that will only be quenched with the first read of a series that will be great The Romit s are one of the few royal families in comics If you haven t had a chance to fully appreciate their work here s your chance it s a fun ride I hope you enjoy it as much as we have in putting this book together With an introduction by Alex Ross and an afterword by Stan The Man Lee this hard cover book is perfect for every Spider Man fan young and old
