Four Shades of Gray Simon Peter Rowberry, 2022-04-05 This first book length analysis of Amazon's Kindle explores the platform's technological, bibliographical and social impact on publishing. *Four Shades of Gray* offers the first book length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts and users, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade, yet despite industry pushback, he says the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published after 1922, and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid and long term, limiting opportunities for developing an inclusive and forward thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets, the printing press and offset printing, the shockwaves of the Kindle continue to shape publishing.

NON-SONNETS Mark Staniforth, 2020-01-21 *NON-SONNETS* places procrastination trails on centre stage. Split into 14 line segments, it captures and re-pastes the random Google Search history results generated during periods in which the author had unsuccessfully committed to attempting to write a traditional sonnet. Thus it becomes both a visible record of an unwritten sonnet and a sonnet cycle in itself, encapsulating the classical form's frustrations in construction, concerns and inconsistencies, flights of fancy and the general Shakespearean unrequitedness of everyday life.

What is e-book? Nicolae Sfetcu, 2014-05-10 The e-book guide for publishers, how to publish EPUB format, ebook readers and suppliers. An electronic book, also e-book, ebook, electronic book, digital book, is a book length publication in digital form, consisting of text, images or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased, borrowed, downloaded and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library or public library during limited hours or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles and the development of digital libraries and catalogues. EPUB, short for electronic publication, alternatively capitalized as ePub, ePUB, Epub or epub, with EPUB preferred by the vendor, is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work without the involvement of an established third party publisher. One of the greatest benefits brought about by ebooks

software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book People can easily become authors overnight and earn income from selling online ebooks The Genius James Vishesh Panthi,2022-02-10 The Genius James is a novel by writer Vishesh Panthi Roosevelt in New York A Billionaire W James Scott is the most mysterious and intelligent person of that era He thinks like a genius A person travels from poverty to rich by using his intelligence He is so talented that he searches for treasure James is a great man After becoming rich he meets all the people who helped him And specifically Robert Robert happens to be in a place with a very strange name James has a hard time finding James searches Robert with his best friend William Harris *Copy This Book!* Paul J. Heald,2020-11-24 In Copy This Book Paul J Heald draws on a vast knowledge of copyright scholarship and a deep sense of irony to explain what s gone wrong with copyright in the twenty first century Distilling extensive empirical data to clearly show the implications of copyright laws and doctrine for public welfare he illustrates his findings with lighthearted references to familiar and obscure works and their creators and sometimes their creators oddball relations Among the questions he tackles How does copyright deter composers from writing new songs Why are so many famous photographs unprotected orphans and how does Getty Images get away with licensing them What can the use of music in movies tell us about the proper length of the copyright term How do publishers get away with claiming rights in public domain works and extracting unmerited royalties from the public Heald translates piles of data complex laws and mysterious economics equipping readers with the tools for judging past and future copyright law **Legends of Kent** Mike Hanagan,Pat Cox,2012-04-17 100 short stories and over 25 images from the stories Myths Legends Ghosts Mysteries of historic Kent Just like anyone else born in Kent we grew up being told stories of the villages where we lived Many were local legends like the ghostly highwayman of Oxney Bottom which spooked generations of children from the village As well the ghost stories there were fascinating legends like Grey Dolphin Did Robert de Shurland really kill his horse on the word of a local witch Was that church in Gravesend really visited by aliens If you ask the locals you will get ten different versions of the story With Kent being the eldest county in England it s reasonable to expect a few famous names and events to have links here yet Kent has an abundance of them Names and events that when you hear them for the first time leaves you thinking wow I didn t know that Did you know about Kent s own Bermuda Triangle what about the Kentish folk who saw battle at Trafalgar or at Rorkes Drift or even the Titanic passenger from Sittingbourne Throughout the generations these stories have been told and re told thousands of times and with each telling the story grows and adapts a little bit more The stories we have written in this book are the versions which we have come to know and love How historically accurate they are could be debated forever although the basic facts of many of the stories are 100% accurate as our research has found We leave you to decide fact or fiction myth or legend or a mixture of all four So join us on a journey across history and through the towns and villages immortalised in Kentish folklore and see how many times you say Wow I didn t know that *How to Market a Book* Ricardo Fayet,2021-01-27 Writing a book is hard Marketing it can be even
