A. John May (English colonists) wrote about the role and shape of government influenced the growth of the colonies, the laws that they created, and the system of government that later today.

1. John May, Colonists, customs and administrative laws, judicial law-making are important contributions to the founding principles and development of the United States.

2. The principle that a government system should absolutely respect the Magna Carta, which the English people have long regarded as a guarantee of English, government.

3. The English Bill of Rights and other documents that established and confirmed the principles, documents applied to them and gave them the same rights as people living in Britain.

4. The English system of law, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguishes itself by the people, was a familiar example of representative, government, but they criticized it.

6. Thomas Hobbes developed the Social Contract, theory which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have natural, rights, as human beings and a government that failed to protect them has lost its legitimacy.

8. John Locke believed in law, justice, liberty, freedom that people rights and responsibilities and argued that people as a community cooperatively created a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested separation, the powers of government.

10. John May (English colonists) had the most government thinking.
