J. Carruthers, 2017-01-28 This book is a critical experiment that tracks the literary and poetic uses of musical notation and notational methods in North American long poems from the middle of last century to the contemporary moment Poets have readily referred to their poems as scores Yet in this study Carruthers argues that the integration of musical scores in expansive works of this period does more work than previously thought offering both resolution and escape from the demands placed on long poem form The five case studies on Langston Hughes Armand Schwerner BpNichol Joan Retallack and Anne Waldman offer approaches to reading literary scores in what might be described as a critical stave or a critical fugue of instances In differing ways musical notation and notational methods impact the form time and sometimes the ethical and political stances of these respective long poems *All Necessary Force* Brad Taylor, 2012-01-17 The electrifying Pike Logan series continues as the Taskforce a top secret team that exists outside the bounds of U S law races to stop a terrorist hit A shadowy trail leads the Taskforce to Egypt where an attack leaves one member dead and another barely alive Veteran warrior Pike Logan and his young partner Jennifer Cahill are forced to helm the increasingly convoluted and dangerous mission a mission that tests both Jennifer s ability to justify her actions and Pike s tenuous ability to stay in control Sifting their way through the opposing plots of two terrorist organizations will turn out to be the least of their problems when a weapon of unthinkable power touches American soil the only country in which Taskforce members are forbidden to operate and the only country that Pike Logan may be unable to save **The Advocate**, 2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **The Broadcaster, Electrical & Wireless Retailer**, 1931
