Text's Author: ReadWorks

Find a place in your nonfiction text where the author uses a comparison or an analogy. Use proper text citation to cite the comparison or analogy below.

"One resident told a local paper, *The Staten Island Advance*, that it sounded like '100,000 people with unlimited air in their lungs blowing through Coke bottles'" (ReadWorks).

How does this comparison or analogy help you better understand an idea, event, or individual in your nonfiction text?

This article is all about the sound that the Ocean Breeze Athletic Center made while it was under construction in Staten Island. This analogy helped me understand just how loud and intense the sound that the building made was for the residents in this small part of Staten Island near the building.
