America Turning A Nation To God:

America ,2015 Dr Tony Evans not only examines the root of our nation s social economic and political unrest but presents a plan for reclaiming freedom morality and strength We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy This straightforward teaching when embraced by believers in our nation will usher in the greatest revival in American history *The Eviltion of America* Leo J. Battenhausen MA MSW LCSW LCADC,2018-03-06 Today America s most dangerous enemies are not the terrorists or those wanting to kill us They are the unseen evil forces that have been slowly depleting us of morality decency and value in God Evil has taken a seat not only in our movies media music and schools but in our White House The Eviltion of America has been eroding what our Forefathers fought and suffered to create and is turning the United States into a country void of everything Godly we once stood proudly on as the greatest nation in the world Author Leo J Battenhausen exposes the true reality of the battle between good and evil going on in America today for our souls and how politics and the media are working together with evil to gather them up in droves The Eviltion of America is a must read for every citizen of the United States who asks the question What happened Battenhausen is a licensed psychotherapist social commentator and syndicated radio guest as well as the author of four other books that speak to the human condition in America today *Cry Out to the Lord* Intimate Life Ministires,2016-03-01 Sometimes it s for you Sometimes it s for your child a family member or friend Sometimes it s for our broken world We ve all been there We ve cried out to the Lord Join noted authors like Ronnie Floyd Mark Williams Dennis Gallaher Dave Butts Doug Beacham Byron Paulus and Bill Elliff Frances Chan Kay Horner Mark Batterson Josh McDowell Ed Stetzer Anthony Evans Nick Hall Alton Garrison Oscar Thompson Dallas Willard and Sammy Rodriguez as they provide twenty unique studies in how to develop a Spirit empowered faith which will help you to Learn to look up when everything around you is falling apart Call out to the Lord in humility and brokennessYield fully to the working and empowerment of His Spirit rather than rely on your own power for spiritual transformationEnter into bold and believing prayer for yourself loved ones and the world around youMore deeply embrace the possibilities and calling of co laboring with Jesus to live out his mission This resource will help you cry out to the Lord and reset your walk with God , **Healing America Calling Hearts Back To God** Jeff Hovsepian,2025-04-25 America was founded and grew upon faith in God and was blessed for it with great abundance and influence in the world But America has since turned away from God And God in response has given America over to life outside his blessings evidenced by the turmoil we see in culture today discord and division anger and hostility wickedness depravity and sin of all kind It is a pattern that played out many times in Biblical history when the people of Israel forgot God and his goodness toward them turned away from him and worshipped idols And God after repeated attempts to call them back removed his blessings and gave them over into the hands of their enemies Yet by way of his great faithfulness love and mercy God offers a way back which is the call of this book In *Healing America* Jeff discusses the

foundations of faith in America its turn away from God the consequences of turning away from God the influences of Satan and his dark forces and offers three specific things we can do today to heal America and return to God s blessings *When American Turned to God* Richard E.
