Hyman, 2012 Ornately decorated objects created by Dakota women cradleboards clothing animal skin containers served more than a utilitarian function They tell the story of colonization genocide and survival Colette Hyman traces the changes in the lives of Dakota women starting before the arrival of whites and covering the fur trade years the years of treaties and shrinking lands the brutal time of removal starvation and shattered families after 1862 and then the transition to reservation life when missionaries and government agents worked to turn the Dakota into Christian farmers The decorative work of Dakota women reflected all of this native organic dyes and quillwork gave way to beading and needlework items traditionally decorated for family gifts were also produced to sell to tourists and white collectors work on cradleboards and animal skin bags shifted to the ornamenting of hymnals and the creation of star quilts Bead Talk Carmen L. Robertson, Judy Anderson, Katherine Boyer, 2024-05-03 Sewing new understandings Indigenous beadwork has taken the art world by storm but it is still sometimes misunderstood as static anthropological artifact Today's prairie artists defy this categorization demonstrating how beads tell stories and reclaim cultural identity Whether artists seek out and share techniques through YouTube videos or in person gatherings beading fosters traditional methods of teaching and learning and enables intergenerational transmissions of pattern and skill In *Bead Talk* editors Carmen Robertson Judy Anderson and Katherine Boyer gather conversations interviews essays and full colour reproductions of beadwork from expert and emerging artists academics and curators to illustrate the importance of beading in contemporary Indigenous arts Taken together the book poses and responds to philosophical questions about beading on the prairies How do the practices and processes of beading embody reciprocity respect and storytelling How is beading related to Indigenous ways of knowing How does beading help individuals reconnect with the land Why do we bead Showcasing beaded tumplines text masks regalia and more *Bead Talk* emphasizes that there is no one way to engage with this art The contributors to this collection invite us all into the beading circle as they reshape how beads are understood and stitch together generations of artists *Encyclopedia of American Indian History [4 volumes]* Bruce E. Johansen, Barry M. Pritzker, 2007-07-23 This new four volume encyclopedia is the most comprehensive and up to date resource available on the history of Native Americans providing a lively authoritative survey ranging from human origins to present day controversies From the origins of Native American cultures through the years of colonialism and non Native expansion to the present

Encyclopedia of American Indian History brings the story of Native Americans to life like no other previous reference on the subject. Featuring the work of many of the field's foremost scholars, it explores this fundamental and foundational aspect of the American experience with extraordinary depth, breadth, and currency, carefully balancing the perspectives of both Native and non-Native Americans. Encyclopedia of American Indian History spans the centuries with three thematically organized volumes covering the period from precontact through European colonization, the years of non-Native expansion including Indian removal, and the modern era of reservations, reforms, and reclamation of semi-sovereignty. Each volume includes entries on key events, places, people, and issues. The fourth volume is an alphabetically organized resource providing histories of Native American nations as well as an extensive chronology, topic finder, bibliography, and glossary. For students, historians, or anyone interested in the Native American experience, Encyclopedia of American Indian History brings that experience to life in an unprecedented way. Approximately 450 entries within four separate volumes. Approximately 110 contributors from among the foremost scholars in the fields, including Troy Johnson on self-determination movements, Richard King on sports mascots, and Jon Reyner on recovery of Native languages. Hundreds of images, including illustrations, photographs, and maps. A series of helpful research tools rounding out the fourth volume, including an extensive chronology, topical bibliography, and a comprehensive index.
