Headway, 1929 **Congressional Record** United States. Congress, 1982 *The Social Construction of Age* Patricia Andrew, 2012-01-11 This book explores the social construction of age in the context of EFL in Mexico It is the first book to address the age factor in SLA from a social perspective Based on research carried out at a public university in Mexico it investigates how adults of different ages experience learning a new language and how they enact their age identities as language learners By approaching the topic from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena such as gender ethnicity and social class **America's Textile Reporter**, 1922 **American Miller**, 1884 *Report[s], [minutes of Evidence, Indexes, Answers to Questions]*. Great Britain. Royal Commission on Labour, 1893 **Public Papers of the Presidents of the United States, George Bush** United States.
