Current, 1986 The Challenge of American History Louis P. Masur, 1999-05-20 In The Challenge of American History Louis Masur brings together a sampling of recent scholarship to determine the key issues preoccupying historians of American history and to contemplate the discipline s direction for the future The fifteen summary essays included in this volume allow professional historians history teachers and students to grasp in a convenient and accessible form what historians have been writing about *The Worst President--The Story of James Buchanan* Garry Boulard, 2015-03-23 Just 24 hours after former President James Buchanan died on June 1 1868 the Chicago Tribune rejoiced This desolate old man has gone to his grave No son or daughter is doomed

to acknowledge an ancestry from him Nearly a century and a half later in 2004 writer Christopher Buckley observed It is probably just as well that James Buchanan was our only bachelor president There are no descendants bracing every morning on opening the paper to find another heading announcing Buchanan Once Again Rated Worst President in History How to explain such remarkably consistent historical views of the man who turned over a divided and demoralized country to Abraham Lincoln the same man regarded through the decades by presidential scholars as the worst president in U S history In this exploration of the presidency of James Buchanan 1857-61 Garry Boulard revisits the 15th President and comes away with a stunning conclusion Buchanan s performance as the nation s chief executive was even more deplorable and sordid than scholars generally know making his status as the country s worst president richly deserved Boulard documents Buchanan s failure to stand up to the slaveholding interests of the South his indecisiveness in dealing with the secession movement and his inability to provide leadership during the nation s gravest constitutional crisis Using the letters of Buchanan as well as those of more than two dozen political leaders and thinkers of the time Boulard presents a narrative of a timid and vacillating president whose drift and isolation opened the door to the Civil War The author of *The Expatriation of Franklin Pierce The Story of a President and the Civil War* iUniverse 2006 Boulard has reported for the New York Times and the Los Angeles Times and is a business writer for the Albuquerque based Construction Reporter
