

Abstract

Thank you for choosing the Sprint® FeatureSM from T-Mobile. You can find the FeatureSM details at t-mobile.com/feature. The FeatureSM is a limited warranty that covers the device's original hardware and software components. It does not cover the device's software, accessories, or any other components that are not part of the original hardware and software.

Before using the service for the first time, the user guide carefully helped us to get information about setting up, using, and maintaining the machine. Also included in the manual are **CAUTION** and **WARNING** signs that warn against a level of danger or concern. A **CAUTION** sign indicates a hazard or condition that could result in minor injury or property damage if the user does not observe the instructions provided to follow.
