Political Parties and Democracy Larry Diamond,Richard Gunther,2001-12-21 Political parties are one of the core institutions of democracy But in democracies around the world rich and poor Western and non Western there is growing evidence of low or declining public confidence in parties In membership organization and popular involvement and commitment political parties are not what they used to be But are they in decline or are they simply changing their forms and functions In contrast to authors of most previous works on political parties which tend to focus exclusively on long established Western democracies the contributors to this volume cover many regions of the world Theoretically they consider the essential functions that political parties perform in democracy and the different types of parties Historically they trace the emergence of parties in Western democracies and the transformation of party cleavage in recent decades Empirically they analyze the changing character of parties and party systems in postcommunist Europe Latin America and five individual countries that have witnessed significant change Italy Japan Taiwan India and Turkey As the authors show political parties are now only one of many vehicles for the representation of interests but they remain essential for recruiting leaders structuring electoral choice and organizing government To the extent that parties are weak and discredited the health of democracy will be seriously impaired Contributors Larry Diamond and Richard Gunther Hans Daalder Philippe Schmitter Seymour Martin Lipset Giovanni Sartori Bradley Richardson Herbert Kitschelt Michael Coppedge Ergun Ozbudun Yun han Chu Leonardo Morlino Ashutosh Varshney and E Sridharan Stefano Bartolini and Peter Mair **English Mechanic and**
