2015 Supplementary Economics Memorandum:

Cote d'Ivoire International Monetary Fund. African Dept.,2018-06-25 This IMF Staff Report highlights that the robust economic growth in Cote d'Ivoire is projected to continue in 2018 The inflation remains subdued The program aims to achieve a sustainable balance of payments position foster inclusive growth and poverty reduction and create fiscal space for investing in priority infrastructure and social projects Strong economic performance since 2012 with average annual growth of 9 percent reflected the economic recovery following political normalization improved business environment strong program of reforms and supportive fiscal policy A key policy challenge is to sustain robust growth and make it more inclusive and private sector driven Robust medium term growth is expected to be supported by domestic demand **Grenada** International

Monetary Fund. Western Hemisphere Dept.,2016-05-24 This paper features Grenada's request for waiver of non observance of a performance criterion request for modification of a performance criterion and financing assurances review The arrangement was approved on June 26 2014 and the third review was completed on November 25 2015 Grenada's comprehensive public debt restructuring is nearing completion The debt exchange with Grenada's largest private creditor group was implemented and an agreement reached with Paris Club creditors Discussions focused on completing the programmed fiscal consolidation finalizing reforms to Grenada's fiscal policy framework and improving competitiveness and growth prospects Staff proposes to refine the structural benchmark on public sector modernization to focus specifically on public wage bill management **Democratic Republic of São Tomé and Príncipe** International Monetary Fund. African

Dept.,2018-08-02 This paper discusses São Tomé and Príncipe's 2018 Article IV Consultation Fifth Review Under the Extended Credit Facility Request for Waivers for Nonobservance of Performance Criteria and Financing Assurances Review São Tomé and Príncipe's GDP growth in 2017 is estimated at about 4 percent similar to the previous two years Inflation spiked to 7.7 percent at end 2017 caused by unfavorable weather conditions and an increase in import taxes on selective goods Fiscal consolidation continued albeit at a slower pace than expected The macroeconomic outlook is positive Growth is expected to remain at 4 percent in 2018 and to accelerate to 5 percent in the medium term as new externally financed projects get under way **Republic of Kosovo** International Monetary Fund. European Dept.,2016-01-25 This paper discusses Kosovo's First

Review Under the Stand By Arrangement and Requests for Modification and Waivers of Applicability of Performance Criteria PC The program is on track All end August 2015 PCs and indicative targets were met by comfortable margins All structural benchmarks for the first review have been met More broadly there is strong ownership of structural reforms in the financial sector and in public procurement The authorities reaffirmed the targets for the fiscal deficit and bank balances for next year and identified measures to achieve these The IMF staff support the authorities request for completion of the first review

Guinea International Monetary Fund. African Dept.,2018-07-20 The Guinean economy is growing at a faster than anticipated pace on the back of buoyant mining activity The growth momentum is expected to continue with real growth at

about 6 percent in 2018 and over the medium term However risks of instability are heightened by the current electoral cycle

Republic of Moldova International Monetary Fund. European Dept.,2019-09-25 This paper discusses Republic of Moldova s Fourth and Fifth Reviews Under the Extended Credit Facility and Extended Fund Facility Arrangements Completion of the Inflation Consultation and Request for Extension of the Arrangements and Rephasing of Access The Moldovan authorities have taken decisive corrective measures to bring the Fund supported program back on track and to achieve its objectives of ensuring macroeconomic stability and advancing reforms Going forward it is critical that the authorities continue to pursue prudent policies and structural reforms aimed at strengthening the financial sector maintaining fiscal sustainability and creating space for social and infrastructure spending Policies remain focused on cleansing the financial sector ensuring growth friendly fiscal policy and enhancing transparency in the energy sector The authorities are committed to completing the rehabilitation of the banking system addressing vulnerabilities in the non bank sector promoting predictable energy tariff setting and maintaining fiscal sustainability to preserve space for social and infrastructure spending

Somalia International Monetary Fund. Middle East and Central Asia Dept.,2019-08-01 This paper discusses Somalia s 2019 Article IV Consultation Second Review Under the Staff Monitored Program SMP and Request for New SMP Program implementation of SMP III has been strong with all but one structural benchmark and all indicative targets met The authorities have requested a new 15 month SMP to cement reforms and support reaching the Heavily Indebted Poor Country decision point as soon as the necessary conditions are met The new national development plan will outline the authorities priorities with respect to poverty reduction and inclusive growth The consultation focused on policies to support higher and more inclusive growth strengthen the medium term fiscal framework deepen the financial sector increase economic resilience and improve governance and the business environment Discussions highlighted the need to implement a durable fiscal federal framework establish a robust framework for effective natural resource management and develop the medium term fiscal framework However security and political risks and climate shocks remain the main sources of risk

Liberia International Monetary Fund. African Dept.,2016-12-22 This paper discusses Liberia s Fifth and Sixth Reviews Under the Extended Credit Facility ECF Arrangement Request for Waivers of Nonobservance of Performance Criteria Augmentation of Access and Extension of the Arrangement Two end December 2015 and three end June performance criteria were missed Two out of nine structural benchmarks for the fifth review were met while three were completed late Three out of five structural benchmarks for the sixth review were met The IMF staff supports the completion of the fifth and sixth reviews and the authorities requests for waivers of nonobservance of performance criteria augmentation of ECF access and extension of the ECF arrangement

An Introduction to the Law of Economic and Monetary Union Alberto Saravalle,2021-03-26 This incisive book is an accessible guide to the laws and policies relating to economic and monetary union EMU Providing a rich multidisciplinary analysis it combines historical legal and economic perspectives to

offer a detailed understanding of how EMU has developed since its inception and how it works in practice today This book will be a valuable reference for those teaching and studying advanced courses on EU law as well as courses that cover the economic history of EU integration **Copyright and the Court of Justice of the European Union** Eleonora

Rosati,2023-10-06 First released in early 2019 Copyright and the Court of Justice of the European Union remains the only book exclusively devoted to the case law of the Court of Justice of the European Union CJEU in the EU copyright field Fully updated for the new edition the book explains the Court s role and action in the field of EU copyright law and provides readers with a sense of the direction of the Court s jurisprudence through an exercise of tidying up and rationalizing the rulings issued so far In his foreword to the first edition First Advocate General Maciej Szpunar praised the book s profound analysis of the EU copyright protection and CJEU decisions which in his view unveiled new information perhaps never considered even by members of the Court The new edition captures all the significant developments in EU copyright law that have occurred since 2019 Aside from macro events such as the UK s now completed departure from the EU and the adoption of the Digital Single Market Directive 2019 790 seminal judgments have been issued by the CJEU which touch upon all the main foundational aspects of EU copyright This book is structured in three parts The first part is about the role of the CJEU as an EU institution Following a discussion of the impact of CJEU interpretation of EU copyright provisions notably their pre-emptive effect on individual EU Member States freedom the second part is concerned with CJEU action and vision in respect of four key areas of copyright and related rights the requirements for protection construction of exclusive rights exceptions and limitations and enforcement The final part focuses on the legacy of CJEU case law broadly intended having regard to both individual countries copyright laws specifically the UK and recent EU copyright reform discourse notably in the context of the DSM Directive Timely and engaging Copyright and the Court of Justice of the European Union provides novel insights into the activity of the CJEU in the copyright field and reflects on the resulting implications for the present and future of EU copyright *Côte d'Ivoire* International Monetary Fund. African Dept.,2014-12-22 All end June performance criteria and

indicative targets under the ECF arrangement were met and all structural benchmarks were completed albeit with minor delays However there was a nonobservance of the continuous performance criterion on the ceiling on new nonconcessional external debt in July with the issuance of the US 750 million Eurobond exceeding the US 500 million program ceiling **The Budget and Economic Outlook, an Update** ,2010 **Burkina Faso** International Monetary Fund. African

Dept.,2016-06-16 This paper focuses on the economic developments economic policies and economic risks in Burkina Faso Economic activity remained sluggish over the course of 2015 and in early 2016 amidst political uncertainty and weather shocks The overall fiscal deficit increased by 0.3 percentage points of GDP compared with 2014 as the sharp decline in revenues was offset by expenditure compression However growth is projected to gradually recover in 2016 albeit at a slower rate than anticipated at the time of the 2nd 3rd Extended Credit Facility reviews Fiscal policy in 2016 will remain prudent

and anchored by the WAEMU convergence criterion Moreover the authorities are prioritizing measures to boost domestic revenue mobilization *Côte d'Ivoire* International Monetary Fund,2012-05-18 This paper presents key findings of the First Review for Côte d'Ivoire under the Extended Credit Facility Program performance at end 2011 was broadly satisfactory All quantitative performance criteria for end 2011 were met but the implementation of structural reforms has been mixed Although good progress has been made to strengthen public financial management improve the business climate and reform the cocoa coffee sector action on other benchmarks for the financial and energy sectors fell short of program targets Prospects for 2012 are favorable notwithstanding the weak external environment **Chad** International Monetary Fund. African Dept.,2016-11-28 This paper discusses Chad's Third and Fourth Reviews Under the Extended Credit Facility ECF arrangement and Requests for Waivers of Nonobservance of Performance Criteria PCs Augmentation of Access Extension of the Current Arrangement and Rephrasing of Disbursements The authorities in Chad have implemented substantial fiscal adjustment to balance the budget and contain the accumulation of arrears Nonetheless liquidity conditions remain very tight and social tensions have risen recently owing to the large cuts in current spending IMF staff supports the completion of the third and fourth reviews under the ECF arrangement the waivers of nonobservance of PCs on the nonaccumulation of domestic arrears and nonaccumulation of external arrears *The Budget of the United States Government* United States,United States. Office of Management and Budget,2014 **Economic and Fiscal Outlook December 2012** Office for Budget Responsibility,2012-12-05 This report sets out forecasts for the period to 2017/18 and also assesses whether the Government is on course to meet its medium term fiscal objectives The economy has performed less strongly than forecast in March 2012 Cm 8303 ISBN 9780101830324 and GDP is forecast to fall by 0.1% in 2012 and then to grow by 1.2% in 2013 2.0% in 2014 2.7% in 2016 and 2.8% in 2017 Public sector net borrowing PSNB is forecast at 108 billion or 6.9% of GDP this year excluding the transfer of the Royal Mail's historic pension deficit into the public sector PSNB is then forecast to decline to 31 billion or 1.6% of GDP by 2017/18 Public sector net debt PSND is now expected to peak at 79.9% of GDP in 2015/16 meaning the Government will miss its supplementary target of PSND falling as a share of GDP between 2014/15 and 2015/16 Other developments since the March 2012 forecasts include the unemployment rate has fallen to 7.8% and the overall level of employment rose to 29.6 million in the three months to September Around half the increase since 2011 has been driven by a rise in self employment and part time employees though total hours worked per week have also risen The situation in the euro area continues to weigh on confidence and trade Inflation is also likely to be higher in the short term reducing the growth of real household disposable income and consumption The Government has a greater than 50% chance of hitting its fiscal mandate **OECD Economic Surveys: Greece 2018** OECD,2018-04-30 Greece is on track to recover from a deep depression Reforms have gathered pace and fiscal consolidation has strengthened credibility lowering uncertainty Exports have led the expansion and labour market reforms have improved competitiveness supporting employment growth
