portrait of a bold brave human Kennedy once again a hero An Unfinished Life is the book Americans have been waiting forty years to read Now at long last we have the definitive biography of Jack Kennedy Book jacket **John F. Kennedy** Jason K. Duncan,2013-11-12 Half a century after his assassination John F Kennedy continues to evoke widespread fascination looming large in America s historical memory Popular portrayals often show Kennedy as a mythic heroic figure but these depictions can obscure the details of the president s actual achievements and challenges Despite the short length of his time in office during his presidency Kennedy dealt with many of the issues that would come to define the 1960s including the burgeoning Cold War and the growing Civil Rights movement In John F Kennedy The Spirit of Cold War Liberalism Jason K Duncan explains Kennedy s significance as a political figure of the 20th century in U S and world history Duncan contextualizes Kennedy s political career through his personal life and addresses the legacy the president left behind In a concise narrative supplemented by primary documents including presidential speeches and critical reviews from the left and right Duncan builds a biography that elucidates the impact of this iconic president and the history of the 1960s **John F. Kennedy** Alan Brinkley,2012-05-08 The young president who brought vigor and glamour to the White House while he confronted cold war crises abroad and calls for social change at home John Fitzgerald Kennedy was a new kind of president He redefined how Americans came to see the nation s chief executive He was forty three when he was inaugurated in 1961 the youngest man ever elected to the office and he personified what he called the New Frontier as the United States entered the 1960s But as Alan Brinkley shows in this incisive and lively assessment the reality of Kennedy s achievements was much more complex than the legend His brief presidency encountered significant failures among them the Bay of Pigs fiasco which cast its shadow on nearly every national security decision that followed But Kennedy also had successes among them the Cuban Missile Crisis and his belated but powerful stand against segregation Kennedy seemed to live on a knife s edge moving from one crisis to another Cuba Laos Berlin Vietnam Mississippi Georgia and Alabama His controversial public life mirrored his hidden private life He took risks that would seem reckless and even foolhardy when they emerged from secrecy years later Kennedy s life and his violent and sudden death reshaped our view of the presidency Brinkley gives us a full picture of the man his times and his enduring legacy **The New York Times Index** ,2009 *John F. Kennedy* Robert Dallek,2011-01-04 One of America s leading biographers offers a compact insightful biography of John F Kennedy on the 50th anniversary of his inauguration *Ohio Valley History* ,2004 [Book Review Index Cumulation](#) Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

Sounding the Trumpet Richard J. Tofel, 2005-07-25 One leading contemporary observer called it the finest American political document in more than forty years Another said it was the best expression of the American spirit since Woodrow Wilson and perhaps since Emerson Approaching a half century after its delivery historians agree that there is at least one way in which John F Kennedy ranks with Jefferson Lincoln and Franklin Roosevelt in the quality of his inaugural address In *Sounding the Trumpet* Richard Tofel tells the full story of this mythic moment in American history He draws on original research materials in the Kennedy Library and elsewhere around the country and unlike earlier treatments of the subject on exclusive conversations with Theodore Sorensen Kennedy's aide and chief speechwriter *Sounding the Trumpet* thus reveals many unknown details about this landmark speech Why JFK's famous handwritten draft of the speech is not a draft at all What happened to the speech's first draft How Kennedy rejected a last minute path breaking addition about civil rights How extensive portions of the speech came from a draft submitted by Adlai Stevenson How John Kenneth Galbraith tried to supplant Sorensen as Kennedy's draftsman Precisely how much of the speech Kennedy wrote himself and how much came originally from a draft by Sorensen Mr Tofel sets the political scene for Kennedy's inaugural address tells the story of the inaugural day in detail and follows closely the writing of the speech its delivery and its reception then and later He plumbs its many sources from Shakespeare to the Old and New Testaments from a key sentence crafted by John Kenneth Galbraith to an important change suggested by Walter Lippmann and notes the influence on the speech of authors from Maxwell Taylor to Walt Rostow to Strunk and White The context of the address representing not only the transition from America's oldest president to its youngest elected leader but also Kennedy's desire to respond to Nikita Khrushchev's push for wars *The Effective Presidency* Erwin C. Hargrove, 2008 Essential reading to understand modern American history Hargrove provides a genuinely fresh way to measure these presidents Stuart E Eizenstat *Milestone Documents in African American History: 1901-1964* Paul Finkelman, 2010 The four volume set covers more than 130 iconic primary source documents from the Revolutionary era to the present day Each entry offers the full text of the document in question as well as an in depth analytical essay that places the document in its historical context Among the documents included in the set are Revolutionary era standards such as Patrick Henry's Liberty or Death speech the Declaration of Independence and the Constitution Important presidential sources include Thomas Jefferson's first inaugural address Abraham Lincoln's Gettysburg Address Franklin Roosevelt's speech following the attack on Pearl Harbor John F Kennedy's 1963 address on integration and George W Bush's address on September 11 2001 Influential decisions of the Supreme Court are also included from Marbury v Madison to Brown v Board of Education to Bush v Gore Critical documents related to minority rights are also present Andrew Jackson's message On Indian Removal the Seneca Falls Declaration Martin Luther King Jr's I Have a Dream Speech and the Equal Rights Amendment Publisher's website [The Publishers Weekly](#), 1882 [The Brief Handbook](#) Laurie G.
