Practicing Evaluation Rita G. O'Sullivan, 2004-02-04. With over 20 years of evaluation experience author Rita O. Sullivan has created an approach that actively engages program stakeholders in the evaluation process. Practicing Evaluation: A Collaborative Approach contains strategies and techniques for conducting successful collaborative evaluations in a variety of program settings including education family support health and non profit organizations. Although many evaluation textbooks cover the theory and steps of an evaluation they do not often include

specifics regarding how to put these concepts into actual practice in a real world setting such as a school district or business Using actual cases from educational health and business settings O Sullivan shows readers how to better involve stakeholders in the evaluation process
