Dean,1994-01-01 This book provides a new rationale for religious criticism in American society First Dean shows why today s academic intellectuals are relatively indifferent to questions of meaning in America pointing to the loss of American exceptionalism the professionalization of the academy and the rise of post structural criticism He then shows how intellectuals may reclaim a prophetic role by offering a new theory of the nature of religious thought Tracing this theory to a twentieth century emphasis on conventions Dean provides a way to understand how imaginative social constructions can become active historical conventions with real historical force He suggests that the sacred itself begins as an imaginative construct and becomes a convention thus working as an active living force in history Finally Dean argues that religious critics must now reclaim a responsibility for shaping their society s sacred conventions **Wise Social Studies in an Age of High-Stakes Testing** Elizabeth Anne Yeager,O. L. Davis,2005-08-01 The chapters in this volume illustrate how teachers are bringing creativity higher order thinking and meaningful learning activities into particular school settings despite pressures of standards and testing We chose the word wise for the title of this book and we use it frequently to describe the pedagogical practices we have identified The words powerful and ambitious are used as well The larger point as Keith C Barton makes in his chapter is that there is no necessary connection between content standards and high stakes tests on the one hand and lowlevel rote instruction on the other He reminds us as Thornton 1991 and Wiggins 1987 previously have argued that teachers play a crucial role in mediating educational policy and their intentions and interpretations have at least as much influence on classroom practice as does the content of standards and highstakes tests Barton also asserts that this makes it all the more crucial to identify the wisdom of practice that enables teachers to engage students in powerful educational experiences
