

“The Diary of Anne Frank”

Act II Essay Questions

- 1) In the beginning of Anne Frank’s diary, she wrote these words: “I hope I shall be able to confide in you completely, as I have never been able to do in anyone before, and I hope that you will be a great support and comfort to me.” In an essay, explain how her diary was a great source of comfort to Anne Frank. As you write, consider these questions: In whom would a fourteen-year-old girl usually confide? Under what circumstances would a young girl share her confidences? How do Anne’s circumstances in the attic rooms affect her ability to confide in someone else?
- 2) The Nazis who came for Anne Frank were ordered to leave no record or documentation of what they were doing. When they left Anne Frank’s diary behind, they failed to follow that order. In an essay, explain why Anne Frank’s diary is an important historical document.
- 3) In her introduction to the published version of Anne Frank’s diary, Eleanor Roosevelt said that Anne Frank’s story made her “intimately and shockingly aware of war’s greatest evil—the degradation of the human spirit. At the same time, Anne’s diary makes poignantly clear the ultimate shining nobility of that spirit.” In an essay, comment on the ways in which Anne Frank’s diary shows both the degradation and the nobility of the human spirit.

American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics
