

(b) Supply homophones for the words given below :

(i) sea

(ii) be.

(1)

(6) In what way do you consider Keryn and Jason as typical teenagers?

(2)

Q. II. (A) Read the following extract carefully and answer the questions that follow :

The Ajanta caves, we were told, lay in the side of a ravine in wild and desolate country some 350 miles to the north-west, at the extreme tip of Hyderabad state where it touches the Bombay Province. Properly speaking they were not caves at all, but temples which had been excavated from the living rock by Buddhist monks. These monks had first come to the ravine somewhere in the second century before Christ and they had begun by hacking out the rock by hand and hurling it down into the river below. Then, probably with large mirrors to reflect the sunshine from the ravine outsides, they set about the decoration of the walls, the doorways and the ceilings. They continued for the next eight hundred years, always painting and sculpturing Lord Buddha, but setting him against an idyllic background of folk tales and the everyday life of their own time. In much the same way as in the Italian Renaissance which over a thousand years later, the work was subsidised by the wealthy merchants and the princes of the surrounding countryside.

Questions :

(1) Who came to the ravines in the second century before Christ?

(1)

(2) What did the monks use to reflect light into the caves ?

(1)

(3) What did the caves depict ?

(1)

(4) (a) The work was subsidised by the wealthy merchants. (Change the Voice)

(1)

(b) They continued for the next eight hundred years. (Rewrite as an Interrogative Sentence)

(1)

(5) Complete the table given below :

(2)

NOUN	ADJECTIVE	VERB
		reflect
	surrounding	

(6) Would you like to see the caves ? If so, why ? If not, why not ?

(2)

(B) Read the following extract carefully and answer the questions that follow :

I should be the last person to be telling school and college students to take their studies seriously. I never did so myself and scraped through my exams with an unbroken record of third divisions. In successive years at school, I distinguished myself by getting zeroes in arithmetic and just managed to get by with algebra and geometry. It was almost the same in college and for higher studies in law in England. Most students did their LL.B and Bar-at-Law in three years. I took five years to pass the same exams. When I returned home, my father quite rightly belittled my performance. When any of his friends asked him "What did your son pass in England?" he would reply, "I am not sure what he passed except that he passed a lot of time."

Students who take their studies seriously do well in their exams and get a headstart in life. You will notice that most of those who get into the best services like administrative, foreign, revenue, education, engineering, police and other posts of the bureaucracy were among the toppers in their classes. Others who do equally well or better in professions like law or medicine, have to make up by studying and working harder in later life. There are no shortcuts to success.

Questions :

(1) Choose the correct alternative and complete the sentence.

This piece of writing is

(a) An Autobiography (b) Science fiction (c) Biography

(1)

(2) How did the author's father feel that he had spent his time in England ?

(1)

(3) What is the author's conclusion about the road to success ?

(1)

(4) (a) There are not many alternatives. (Rewrite as an Affirmative Sentence)

(1)

(b) When I returned home, my father belittled my performance. (Rewrite the sentence using 'ing' participle)

(1)

(5) (a) Expand the abbreviations given below :

(i) I.A.S. (ii) LL.B

(1)

(b) Complete the following with a collocation from the extract :

(i) record (ii) studies.

(1)

(6) State the advantages of hard work.

(2)

Q. III. Do as Directed :

(a) Smith : Good Morning, Mr. Jones. It is a long time since I saw you in town.
Jones : Good Morning, Mr. Smith. I only came up for business for few hours.

(Rewrite in Indirect Speech)

(2)

2008 Comilla Board Exam Ans

Judd E. Hollander
