Marketing High Profit Product Service Solutions addresses one of the most exciting and growing strategic marketing
opportunities facing product and service companies bundling Many customers want bundled products and services which
represent integrated solutions to their problems rather than buying individual products and services piecemeal and if you
become that supplier it can transform a company There are many outstanding examples Magna International grew in several
stages from a supplier of basic individual auto parts to a company manufacturing a product service super bundle ultimately
sourcing and assembling the entire car itself GE developed their business involving the supply of medical imaging machines
to hospitals to become a super bundler of complete hospital radiological floor imaging operations planning installation and
integration IBM transformed their position as a supplier of individual hardware software and peripherals to companies into a
product service solution bundler of increasing complexity and finally into the super bundle of BPO Business Process
Outsourcing representing an outsourced and complete integrated IT solution set for clients entire global operations Roger
More explores what was learned by these leading companies amongst others when they transformed their market strategies
to become bundlers of complex integrated customer solutions Over many years the author has developed and tested new
concepts maps and tools for use by a wide variety of managers in developing strategies for these bundled product service
solutions His book now offers these maps and tools to all who invest in a copy **Snow Country**, 1994-12 In the 87 issues of
