The Billionaires Box Set Volume 4 Roxy Jordan, 2019-11-18 Book 1 The Billionaire's Desire A Dark Billionaire Romance Short Story He was tall with long black hair He wore a suit and he wore it well it was tight fitting and hugged his lithe body He was talking heatedly with another man in a suit near a door marked employees only As Molly watched he laughed and patted the other man on the shoulder and then turned and made to walk away but then he caught her eye She suppressed a squeal she didn't know why but she would have squealed if she hadn't made the conscious effort to stop it and looked away She was near the eggs now so she focused on them She felt more than heard his presence behind her and her whole body froze She felt like a shadow had just descended on the entire aisle Who was this man and why was he standing behind her She suppressed the urge to turn around She didn't know why but the idea of turning around was terrifying to her Well she did know why he was incredibly attractive and he was close to her She wasn't very good with attractive men She wasn't very good with men in general Finally she heard him heavy breathing in and out slow rugged breaths Book 2 The Billionaire's Deal A Dominant Billionaire Romance Short Story I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees the light just sparkling through the leaves like shiny copper pennies falling from heaven Of course I know Copper Ridge Ranch was named for the natural element once found in its soil and if anything rains down on Marcus Elliott it's not copper It's thousand dollar bills Do they even make those If they do I'm sure Mr Elliott uses them like tissue paper I take the corner a little too fast and hear the rattle of the food trays in the back Great that's all I need On the day Marcus welcomes August Kalle into his home I'm going to show up with a cheesecake covered in road rash I'm lucky though Not too much to unload on this trip I started Carrie's Catering because I liked to cook and I needed a job Little did I know I'd spend most of my time being a roadie spending more time loading and unloading the van than mixing baking or frosting all together But Copper Ridge Ranch is my flagstone client They spend so much money and time on catering Mr Elliott once asked me to consider moving into a guest house and just living here Book 3 The Billionaire's Trust A Female Billionaire Romance Short Story An urgent flashing of the house lights beckoned the audience back to their seats for the Second Act Vicki had spent the intermission backstage chatting with two of her favorite singers who would soon grace the stage once more as the booming baritone Magnifico and his daughter Angelina a dazzling soprano whose career had reached new heights during these ten high profile New York performances Vicki couldn't conceal her delight at the absolutely full house I guess the new marketing firm really hit one out of the park she commented quietly to Martin as the lights dimmed All ten performances are sold out Her lawyer friend smiled It's the inspired leadership they've been getting he replied New blood new ideas It's just magnificent The maestro appeared at the edge of the orchestra pit and received enthusiastic applause Although even I would admit that Rossini's genius might have something to do with it Martin said raising his voice over the audience's appreciation Still you've broken the glass ceiling yet again I would say Bravo Miss Vydra

You're too kind she said patting his hand as the strings stirred in a quiet but ominous tremolo quickly ushering in a sudden and violent orchestral tutti brassy and loud which filled the huge auditorium with the dark ferocity of the storm it depicted Vicki let the eruption pass through her finding herself carried by its torrential force allowing the moment to fill her with an awed respect for nature's power She knew that it could not last and the audience was soon deposited kindly into the peaceful meadow of the storm's passing Horn calls signaled the all clear and as one can always expect from Rossini the good humor and delicate social fun poking resumed

[The Billionaires Box Set Volume 3](#) Roxy Jordan, Book 1 The Secretary's Seduction A Standalone Billionaire Boss and Secretary Love Story The funeral was short Laurel was surprised that she cried during the service It had been small primarily populated by Laurel and her husband's family He didn't have many friends and she had no family to speak of so the service was short and sweet The sky was unbearably bright and they held the service in the late afternoon Maybe not a sweet funeral but it was short Richard Ericson had died at the age of thirty five of a massive heart attack He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him Richard and Laurel had lived quietly side by side she kept the house and he went to his office job from eight to six He came home and she had dinner ready They never had children There was little love in the marriage Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground Her mother in law patted her briskly on the shoulder The woman's face was tight and devoid of emotion as she gave her a stiff hug Without another word she walked to where her husband stood a somber man The two made a lovely emotionless pair Her mother and father in law were silent and shed few tears There was little love in the family as well Book 2 Saved by the Billionaire A Standalone Billionaire's Second Chance Love Story The sun
