Financial Innovation and Value Creation Martin Užík, Christian Schmitz, Sebastian Block, 2023-03-10 This contributed volume provides academic insights into the digital financial world It illustrates the state of the art research on financial technology and innovation with special focus on the impact in society Technologies are not only door openers for the digital world but they are also key drivers of change These key drivers of digitalization accelerating the pace are literally forcing individuals to adapt The

authors discuss these dynamics and reflect on society's adaptability. The first part of the book focuses on cryptocurrencies as disruptive technology. It discusses the status quo, future trends, and legal frameworks for virtual money. The second part of the book sheds light on value creation in a digitalized world. The authors discuss digital platforms and economic networks and the impact of digital dominance.

Inventory Management Mohamad Y. Jaber, 2009-08-11 As markets become more dynamic and competitive, companies must reconsider how they view inventory and make changes to their production and inventory systems. They must begin to think outside the classical box and develop a new paradigm of inventory management. Exploring the trend away from classical models based on economic order quantities to depend on Industrial Engineering: Innovative Networks Suresh P. Sethi, Marija Bogataj, Lorenzo Ros-McDonnell, 2012-01-03 The Spanish Conference of Industrial Engineering Ingenieros de Organizaci3n Industrial CIO is an annual meeting promoted by Asociaci3n para el Desarrollo de la Ingenieros de Organizaci3n Industrial Engineers Association ADINGOR. The aim of CIO is to establish a forum for the open and free exchange of ideas, opinions, and academic experiences about research, technology transfer, or successful business experiences in the field of Industrial Engineering. The Scientific Committee is composed of 68 international referees, and we foresee the attendance of some 200 people from more than 15 countries, and following the rotation of venue and organization between various Spanish universities, the 2011 Conference will be the fifteenth National Conference and the fifth International Conference in Cartagena. During three days, the 2011 Conference will include the participation of European and other foreign countries' researchers and practitioners that will be presenting communications reproduced in this volume on a range of topics including Production and Operations, Business Management, Supply Chain Management, Economic environment, Technological and Organizational Innovation and Management, and Innovation in Education. The Conference on Industrial Engineering CIO and its proceedings are an excellent platform for the dissemination of the outputs of the scientific projects developed in the frame of the European national or regional Research and Development plans.
