Revelation 21-22 in Light of Jewish and Greco-Roman Utopianism Eric J. Gilchrest, 2013-05-01 In Revelation 21 22 in Light of Jewish and Greco Roman Utopianism Eric J Gilchrest offers a creative and compelling reading of Revelation 21 22 as understood through the lens of ancient utopianism The work is in two parts beginning with a detailed portrait of ancient utopianism based on Greco Roman and Jewish traditions The portrait sketches the topography of the utopian landscape which includes a thorough account of various traditions using fourteen utopian topoi or motifs The author then moves to a description of Revelation s new Jerusalem in light of these two utopian traditions With sensitivity to how this text would have been read by each utopian perspective the author constructs a unique reading of a classic passage that highlights the variety of ways the text originally may have been heard

theologically suspect and spiritually shallow Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success
