1guided Reading The Cold War Comes Home Answers:

States at War, Volume 1 Richard F. Miller, 2013-11-05 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organization activities economies demographics and prominent personalities of Civil War states and state governments must assemble data from a variety of sources and many key sources remain unavailable online This volume the first of six provides a crucial reference book for Civil War scholars and historians professional or amateur seeking information about individual states or groups of states Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments Designed and organized for easy use this book can be read in two ways by individual state with each chapter offering a stand alone skeletal history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems
