2 Destroy Game Guide Human:

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

NieR: Automata World Guide Volume 2 Square Enix, 2020-12-15 Over 300 full color pages collected into a hardcover volume that explores the secrets and strategies of Square Enix's NieR Automata. Revisit the characters, combat, and environment that enchanted players with stunning action and profound adventure from video game director Yoko Taro. Discover the intricacies of Submergence City, learn more about the characters and enemies with the Data Library, and master the Androids' arsenal. Also featuring concept art and commentary, this second volume of the NieR Automata World Guide is a must-have item for fans of the game. Dark Horse Books and Square Enix come together again to present this adaptation of the original Japanese volume, officially offered in English for the first time.
