The Stylistics of Embodiment Anne Holm,2025-01-22 This book presents a stylistic framework for analysing embodiment in lyric texts While the assumption that our minds are embodied underlies most approaches in cognitive stylistics and beyond a systematic account of the linguistic patterns through which the body may be manifested in poetic expression has not yet been provided Aiming to fill this gap the book focuses on contemporary lyric texts that prominently engage the senses in depicting past experiences Drawing its tools mainly from Cognitive Grammar and research on conceptual metaphors and iconicity the book investigates how sensory language gives rise to simulated embodied responses In doing so the book views poetic expression as a complex interplay of modalities and seeks to expand the concept of the lyric by incorporating digital poetry song lyrics performance poetry and lyrical prose

among its case studies The book furthermore brings in current cognitive scientific research on the workings of memory to the analysis of sensory memory most centrally the psychological phenomenon of mental time travel It will be of interest to students and scholars working on stylistics literary studies and multimodal and intermedial studies

Learning about Language John Foster, 2012 Bringing a fresh and lively approach to language study Learning about Language is an exciting collection of fun creative activities and warm up games that explore the multifaceted nature of the English language For use in any primary classroom this book will help develop the pupil's knowledge of how the English language works and will improve their ability to use language effectively Throughout the book the author explains key features of the English language by arranging the volume alphabetically into sections each of which explores a different linguistic feature Foster suggests enjoyable activities that will enable students to consolidate their learning and improve their communication skills through word play and frequently uses rhyme to illustrate and elaborate on points made Areas covered include Spelling punctuation and grammar Origin meaning similarities and differences of words including homonyms anagrams and synonyms The explanation of particular uses of language for specific purposes Humorous misuse of words including malapropisms and spoonerisms The inclusion of numerous opportunities for students to play with words by participating in word games and through their own writing With its unique and accessible approach to language study Learning about Language provides teachers of English with a dynamic collection of resources that will be welcomed by educators and students alike
